# Program Announcement

## **Accommodation**

*A large number of rooms have been reserved. Discounted room rates for Spine 2017 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.*

## **Exhibition and Sponsorship**

*An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Spine and Spinal Disorders.*

## **About London**

*London, Bavaria's capital, is home to centuries-old buildings and numerous museums. The city is a major international center of business, engineering, research and medicine exemplified by the presence of two research universities, a multitude of smaller colleges, headquarters of several multinational companies and world-class technology and science museums like the Deutsches Museum and BMW Museum*

*Why London??*

- London is home to many national and international authorities, major universities and major museums. Its numerous architectural attractions, international sports events, exhibitions, conferences and Oktoberfest attract considerable tourism*
- London is a leading location for science and research and it is an internationally attractive site for training and research in neurosciences*
- In London, there exist a world class doctors for treating the spinal problem. Spinal Research is the UK's leading charity funding medical research around the world to develop effective treatments for paralysis caused by spinal cord injury.*

## **Venue**

*London, UK  
7025-085-200, Ext-8034*

## **Important Dates**

*Abstract submission opens: May 1, 2017  
Registration opens: May 1, 2017  
Early bird registration: July 30, 2017  
On spot registration: November 13, 2017*
