About Barcelona:

Barcelona is the capital city of the autonomous community of Catalonia in Spain and Spain's second most populated city. Barcelona is one of the world's leading tourist, economic, trade fair and cultural centers, and its influence in commerce, education, entertainment, media, fashion, science, and the arts all contribute to its status as one of the world's major global cities. It is a major cultural and economic center in southwestern Europe, 24th in the world (before Zürich, after Frankfurt) and a financial center. In 2008 it was the fourth most economically powerful city by GDP in the European Union and 35th in the world with GDP amounting to €177 billion.
