

Initial Announcement

8th World Congress and Expo on **Cell & Stem Cell Research**

Orlando, USA **March 20-22, 2017**

Dear Colleagues,

Conference Series LLC is delighted to welcome you to Orlando, USA for the Prestigious 8th World Congress and Expo on Cell & Stem Cell Research. Stem Cell Research 2017 will focus on "Explore and Exploit the Novel Techniques in Cell and Stem Cell Research". We are confident that you will enjoy the Scientific Program of this upcoming Conference.

We look forward to see you at Orlando, USA.

With Regards,
Stem Cell Research 2017 Operating Committee

Program Announcement

Venue

Orlando, USA

Important Dates

Abstract submission opens: March 21, 2016

Registration opens: April 01, 2016

Early bird registration: August 30, 2016

On spot registration: March 20, 2017

Accommodation

A large number of rooms have been reserved. Discounted room rates for Stem Cell Research 2017 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Cell & Stem Cell Research.

About Orlando

Orlando, a city in central Florida. Major attraction is Walt Disney World, comprised of 4 parks, including Magic Kingdom and Epcot, and 2 water parks. Another major player, Universal Orlando, offers 2 parks: Universal Studios and Islands of Adventure, with the Wizarding World of Harry Potter straddling both. As the city nickname it says "The City Beautiful" and its symbol is the fountain at Lake Eola. Orlando is also known as "The Theme Park Capital of the World" and in 2014 its tourist attractions and events drew more than 62 million visitors. Let's take precious time to explore research and exploit Orlando and have fun.
