Congress 2017**

Program Announcement

Accommodation

A large number of rooms have been reserved. Discounted room rates for Stroke Congress 2017 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Spine and Spinal Disorders.

About London, UK

London, capital of England and United Kingdom is the most populous city which rests on the River Thames in the Great Britain. London is the famous global city for fashion, entertainment, arts, commerce, education, finance, media, research and development, tourism and transportation. It is crowned as world cultural capital and world's largest financial center.

London city boasts of four World Heritage Sites: the Tower of London, the Palace of Westminster, Maritime Greenwich, and Kew gardens. The oldest underground railway network in the world is present in London. As suggested by London Natural History Society, London is one of the "World's Greenest City" with more than 40 percent of green land or open water.

London is the second largest immigrant population city with 36.7% of London population is born outside London. London is ranked as most visited city in the world and one of the leading tourist destinations in the world. The River Thames gives a stunning backdrop to many of the city's top tourist attractions. London is remarked as "A world in one city" with its diversified culture and communities throughout the capital.
