About Dubai

Dubai is the most crowded city in the United Arab Emirates (UAE). It is situated on the southeast shore of the Persian Gulf and is one of the seven emirates that make up the nation. The city of Dubai is situated on the emirate's northern coastline and heads up the Dubai-Sharjah-Ajman metropolitan territory. Dubai is to host World Expo 2020.

Dubai has developed as a worldwide city and business center point of the Middle East. It is likewise a noteworthy transport center for travelers and load. By the 1960s, Dubai's economy depended on incomes from exchange and, to a littler degree, oil investigation concessions, however oil was not found until 1966. Oil income initially began to stream in 1969. Dubai's oil income quickened the early advancement of the city, yet its stores are restricted and generation levels are low: today, under 5% of the emirate's income originates from oil. The emirate's Western-style model of business drives its economy with the principle incomes now originating from tourism, flight, land, and money related administrations. Dubai has as of late pulled in world consideration through numerous imaginative vast development ventures and games occasions. The city has gotten to be notorious for its high rises and elevated structures, specifically the world's tallest building, the BurjKhalifa.

Dubai gives a world class instruction furthermore huge openings for work. The most understood colleges in Dubai are American University in Dubai, Hult International Business School, Al Ghurair University, The American College of Dubai, University of Wollongong in Dubai, British University in Dubai offering courses in Business Administration, Engineering, Architecture and Interior Design. American University in Dubai is one of the six UAE colleges included in QS World University Rankings 2014/2015. In 2013 Synergy University Dubai Campus opened its grounds in Jumeirah Lakes Towers being a first University in Dubai to situated outside of Educational Zones.
