

4th World Congress on

SYNTHETIC BIOLOGY AND GENETIC ENGINEERING

Singapore November 09-10, 2017

Dear Colleagues,

Conference Series is delighted to welcome you to Singapore for the Prestigious 4th World Congress on Synthetic Biology and Genetic Engineering. Synthetic Biology Congress 2017 will focus on “*Synthetic Biology and Genetic Engineering - Expanding the Possibilities*”. We are confident that you will enjoy the Scientific Program of this upcoming Conference.

We look forward to see you at Singapore.

With Regards,
Synthetic Biology Congress 2017 Operating Committee
Conference Series Conferences

Editorial Board Members of Supporting Journals:

Rahamim Seliktar

School of Biomedical Engineering, Drexel University, Philadelphia, USA

George Perry

College of Sciences, The University of Texas at San Antonio, USA

John Lowengrub

University of California, Irvine, USA

Diego Alexander Garzo-Alvarado

Universidad Nacional de Colombia, Colombia, USA

Brittney Shea Herbert

Indiana State University, USA

Eirini P. Papapetrou

University of Washington, WA, USA

Barry L. Wanner

Purdue University, USA

Qian Wang

University of South Carolina, USA

Yeoheung Yun

Chemical and Bioengineering Department
North Carolina A & T State University, USA

Conference Secretariat

2360 Corporate Circle, Suite 400 Henderson, NV 89074-7722, USA

Ph: +1-650-268-9744, Fax: +1-650-618-1414, Toll free: +1-800-216-6499

Program Announcement

Venue

Singapore

Important Dates

Abstract submission opens: February 20, 2017

Registration opens: February 20, 2017

Early bird registration: August 21, 2017

On spot registration: November 09, 2017

Accommodation

A large number of rooms have been reserved. Discounted room rates for Synthetic Biology Congress 2017 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held simultaneously with the Conference. The rest and lunch zones will be found neighboring the stalls. On account of exhibitors from everywhere throughout the world, participants will have a total review of new discoveries in the fields of Oncology.

Conference Secretariat

About Singapore

SINGAPORE, known as “the LION city,” becomes a favorite destination because it is a global city and is a densely populated island with tropical flora, parks and gardens. Singapore is a global commerce, finance and transport hub.

Singapore is considered as an important center for higher education and harbors, healthcare, well reputed and prestigious colleges and Universities. Singapore conferences indeed play a vital role in promoting scientific information and ideas all over the world. It can be considered as a suitable medium for the relocation of valuable knowledge about research and novel advancements worldwide. The conferences taking part here would promote a variety of scientific ideas among contenders belonging to diverse areas of science and technology.

Apart from this, Singapore has been set aside for parks and natural reserves. The network of natural reserves, parks, park connectors, natural ways, tree-lined roads and other natural areas have enhanced the sense of green space in the city which will keep you busy for weeks. Singapore has a tropical rainforest climate with no distinctive seasons, uniform temperature, pressure, high humidity and abundant rainfall. Sentosa, Singapore Flyer, Universal Studios Singapore, Night Safari Singapore, Singapore Botanic Gardens, Jurong Bird Park, Singapore Zoo, Sri Mariamman Temple, PulauHantu famous for its rich coral reefs and Peranakan Museum are some of the points of interest in Singapore. A splendid location, life expectancy, quality of life, personal safety and housing that is unsurpassed for its livability makes Singapore a city to visit and remember.
