

3rd International Conference on

SYSTEMS AND SYNTHETIC BIOLOGY

Munich, Germany July 20-21, 2017

Dear Colleagues,

Conference Series LLC is delighted to welcome you to Munich, Germany for the Prestigious **3rd International Conference on Systems and Synthetic Biology**. **Systems and Synthetic Biology 2017** will focus on “*Systems and Synthetic Biology: Meeting the Needs of a Changing World*”. We are confident that you will enjoy the Scientific Program of this upcoming Conference.

We look forward to see you at Munich, Germany.

With Regards,
Systems and Synthetic Biology 2017 Operating Committee

Program Announcement

Venue

Munich
Germany

Important Dates

Abstract submission opens: September 19, 2016
Registration opens: September 19, 2016
Early bird registration: March 26, 2017
On spot registration: July 20, 2017

Accommodation

A large number of rooms have been reserved. Discounted room rates for Systems and Synthetic Biology 2017 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Systems and Synthetic Biology.

About Munich

Munich is the capital and largest city of the German state of Bavaria, on the banks of River Isar north of the Bavarian Alps. Munich is the third largest city in Germany, after Berlin and Hamburg, and the 12th biggest city of the European Union, with a population of above 1.5 million. The Munich Metropolitan Region is home to 5.8 million people. The city is a major center of art, advanced technologies, finance, publishing, culture, innovation, education, business, and tourism in Germany and Europe and enjoys a very high standard and quality of living, reaching #1 in Germany and #4 worldwide according to the 2015 Mercer survey. According to the Globalization and World Rankings Research Institute Munich is considered an alpha-world city, as of 2015. Munich is home to many national and international authorities, major universities, major museums and theaters. Its numerous architectural attractions, international sports events, exhibitions, conferences and Oktoberfest attract considerable tourism. Munich is one of the most prosperous and fastest growing cities in Germany.
