Program Announcement

Accommodation

A large number of rooms have been reserved. Discounted room rates for Transcriptomics 2017 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Biochemistry.

About Bangkok

Bangkok is the capital of Thailand most popularly known as City of Angels. . It is an international hub for transport and healthcare and has come into view as a regional centre for the arts, fashion and entertainment. Bangkok is also home to a handful of biotechnology, pharmaceutical and medical device companies. Agrobiomate, Asia Medical and Agricultural Laboratory and Research Center, Better Pharma, Research and Development Center Betagro Group, Biomed Diagnostics (Thailand), BioNet-Asia, CDIP (Thailand), COX Laboratories (Thailand), Greater Pharma are the name of the few Companies which are located in the city of Bangkok. The city is also leading in higher education as majority of country's private and public Universities are located in Bangkok. The capital is rich in historical and cultural attractions which cannot be found in other parts of the World and attracting several tourists from all around the globe every year. It is a gateway for relaxing, sightseeing and shopping for most travellers.
