Dementia 2018**

Program Announcement

Accommodation

A large number of rooms have been reserved. Discounted room rates for Vascular Dementia 2018 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Neurology.

About Paris

Paris is home to many national and international authorities, major universities and major museums. Its numerous architectural attractions, international sports events, exhibitions, conferences and Oktoberfest attract considerable tourism

- Paris is a leading location for science and research and it is an internationally attractive site for training and research in neurosciences*
- In Paris, research related to neurosciences spans a wide spectrum of current investigation areas, ranging from neural stem cells and the molecular mechanisms of early brain development, via cellular and systems neurobiology (including neurology), neurocognition and behavior (including “theory of mind”), to epistemology, philosophy of science, logic, and ethics*

Venue

Paris, France

Important Dates

Abstract submission opens: July 07, 2017

Registration opens: July 07, 2017

Early bird registration: September 30, 2017

On spot registration: February 22, 2018
