DIRGHAJEEVI VOLUNTARY GROUP

INTRODUCTION

Dirghajeevi voluntary group (dvg) is a non-governmental and nonprofit making organization formed by a group of young professionals with high passion to work for the welfare and benefit of the children suffering from and undergoing treatment for cancer. it is registered in chief district office kathmandu (CDO regd. no.133/063/064) and affiliated with social welfare council of nepal on august 21st 2006.

We the current dvg (dirghajeevi voluntary group) committee member were at first involved as a volunteer only when dvg was not introduced as dirghajeevi but was known as 'chiranjeevi'. later, we decided to organize it as an ngo and so on is the current dvg. all we serve for is in the welfare of the underprivileged children who are suffering from the fatalistic disease like cancer.
