12.Hepatic deterioration in patients with spontaneous BacterialPeritonitis ,the role of tumour necrosis factor alpha and Interleukin 6. Mohammed AL assal**, Reda M.AL badawy**.Ebada Saeed and Gehan Sabry. Medical Journal AL Kaser AL aini,No 16 suppl (3),21-27. 2010.

13.Study of methylation status at RAS Associated domain family(RASFLA) Gene in blood of patients with some liver diseases. Awad El abd,Tawheed Mowafy ,Hanan Foud ,**Reda M. AL badawy** and naglaa Azab. Benha Medical journal May. No 27suppl (2), 289-298 .2010.

14.Decrease prevelance of Hepatitis Band C in Egyptian blood donorsin the last decade.Samir M.kabil,Salwa Yousif,yehia Younis ,**RedaM.AL badawy**,E Journal of Hepatology ,Gastroenterology andInfectious Diseases.April No 11,suppl (2) 1-6 ,2010.

15.A comparative study for plasma A diponectin level in patients withNon-alcoholic fatty liver disease (type 2 diabetes mellitus) and HCV.
Fatema M. abdelsalam,Mostafa AL kaday **,Reda M ALbadawy**,Ashraf Talat and Mohamed AL Assal.Medical Journal ofZagazig University No 14 (4),2622-2630.2008.

16.Astudy about bone marrow density in patients with chronic HCV .Mostafa AL kaday ,Magday Abdelmawgood ,Ibraheem Awadallha **Reda M. AL badawy** , Ebda Saeed ,Hala EL Feky ,Hala Agina andWaeel Qandeel .
Journal of Hepatology ,Gastroenterology and Infectious Diseases.No 11,suppl(3),7-18.2010.

17. Diagnostic role of PCR in detection of Schistosoma Mansoni DNAin stool of clinically suspected individuals.Maysa Eraky ,**Reda M.ALbadawy**,Naglaa Azab and Amal Edris . Egyptian J. of Med. Sci.No31suppl(2),719-730.2010.

18.Evaluation of early efficacy of Mefloquine on Egyptian SchistomaMansoni Strain in infected Mice .Maysa Eraky,**Reda M. AL badawy** and Olfat Ali Hammam. Egypt J.Med.Sci.31 (1) June, 347-361.2010.

19.Ameliorative effect of Gink of Biloba Extract on gamma radiation injury: histological and histochemical evaluation in rats. Aef A , Mohamed AL Schistawy ,Ahmed H ,Rizk Gamal AbdelSalam,Magdy H ,Baker Ashraf ,Mohamed Barakat and **Reda M. AL badawy**. Mansura J .Forensic .Med.Clin.Toxicol.Vol .XVIi.No.2,july.2009.

20.A Study of serum Leptin level in chronic HCV patients treated with

pegylated interferon and ribavrin therapy as a predictor of early virological response at 3 months of therapy. Ashraf Nassar,Hosam

Amin,**Reda M. AL badawy,** Mohamed Salah El deen. Benha Medical Journal Vol 27, No 2 ,May .2010.

21.Assessment of the relation between serum–ascitic albuminconcentration gradiant with esophageal varices and its complications. Entesar El Sharqawy,**RedaM. AL badawy**,Eman fathy ,Ibraheem El atar and Hosam Amin.Benha Medical Journal Vol 24,(1)pp295-331 Januray 2007.

22.Role of Leptin in non alchoholic fatty liver disease (NAFLD). **Reda M. AL badawy**,Eman ELetter,Ibraheem AL mofleh,Rashed AL rashed,Hussin Ferrhi Faleh AL faleh,Saleh AL amri and Abdullha AL gamdi. Saudi J of Gastroenteology. 26(1), 2006.

23.Peripheral neuropathy in patients with chronic hepatitis C.
Samir M.kabil, Mostafa S. ALkaday ,**Reda M. AL badawy** and Maged Faheem. Medical Journal of Benha University .23(1) January 2006.

24.A Study about the prevalence of Chron, s Disease in Teachinghospital in Riyadh, Saudi Arabia.
Abdullha S.AL gamdi, Ibraheem AL mofleh ,Rashed AL rashed,Saleh AL amri .Arther Asnany and **Reda M. AL badawy.** World J.Gastroenterology,No 10 suppl (9);1341-1344 China .2004.

25.Insulin resistant and hyperliptinemia in diabetic patients withchronic hepatitis C Virus Infection and their relation to steatosis and fibrosis progression.
Reda M.AL.badawy,Awad El abd and Abd El lateef EL balshy. TheEgyptian J .of Biochemistry and Molecular biology (EJBMB).23, ISSN: 1687-1502, P 361-375.April, 2005.

26.Soluble intracellular adhesion Molecule -1(SICAM) in patient swith chronic liver disease related to hepatitis C.
Gamal Amer ,Mohamed G.Awadallha and **Reda M. AL badawy.** Zagazig University Medical Journal, p151-1520, May (3), 2003.

27.A retrospective study about the body mass index&hepatic fibrosis,hepatic inflammation in chronic hepatitis C.
Reda M. AL badawy,Abdo SA,Galal Mawad, Magdy Gad,Entesar ELsharqawy,Amin H and Aza A senna . Zagazig University Medical Journal ISSN 1110-1431, P674-692, November 2004.

28.Astudy of subclinical hepatic encephalopathy in patients with chronicliver diseases.
Abdo SA, Lashin A,**Reda M. AL badawy**,Shahin Y and Sayed H. Alexandria Journal of hepatogastroenterology vol 11(2),p 52-57,Augst 2005.

29.Serum and Ascitic fluid nitric oxide and IL6 in liver cirrhosis andspontenous bacterial peritonitis.
Samir M.Kabil, Hosam Amin,**Reda M. AL badawy**,Wael Shahin ,Mohamed Darwish,Yasser Esmail and Eman Ramadan. Journal of Hepatology, Gastroenterology and Infectious Diseases, Dec, vol8, No 4, p63-70. 2003.

30.The extragastric effect of chronic Helicobacter Pylori infection indysenteric patients on some metabolic risk factors for coronary heart disease.
Awad El abad, Ame Afifi,Roshdy Khlafallha and **Reda M. ALbadawy.** Alexandria J,hepatogatroenterology ,vol 11(3)p 35-47, Dec.2005

الماجستير رسالة عنوان :

:Title Of Master thesis

Study of portal haemodynamics in patients with chronic liver diseases before and after meal.....
