10TH INTERNATIONAL CONFERENCE ON

ENDOCRINOLOGY,DIABETES & METABOLISM

SEPTEMBER 17-18, 2026 | PARIS, FRANCE

INVITATION

Diabetes 2026

Welcome to

The 10th International Conference on Endocrinology, Diabetes & Metabolism invites the global healthcare and research community to gather on September 17–18, 2026, in Paris, featuring a hybrid format that connects experts and participants from around the world.Centered around the theme “Uniting Global Experts to Transform Diabetes Care,” this conference serves as a dynamic platform where scientific innovation meets clinical excellence. Over two engaging days, endocrinologists, diabetologists, researchers, healthcare professionals, academicians, and industry leaders will exchange knowledge on the latest research developments, technological innovations, and evidence-based approaches transforming the future of diabetes management, endocrinology, and metabolic healthcare.

~Dr.Ophelia Robert, Program Director

About Pulsus

Pulsus Group, established in 1984 with officesin Canada and India, is a globally recognized publisher of scientific, technical, and medical journals. With 50+ open-access journals and collaborations with 20+ international societies, Pulsus advances high-quality medical research through rigorous peer review. Through cmesociety.com, Pulsus connects global researchers and institutions by organizing accredited CME/CPD conferences that foster collaboration and knowledge exchange. Proudly associated with leading Canadian and international medical societies, Pulsus remains committed to supporting integrity and innovation in medical science.

Highlights of the Event

- Diabetes research
- Clinical endocrinology
- Diabetes and metabolic disorders
- Obesity & Cardiometabolic risk
- Endocrine genomics
- Gestational diabetes
- Nutrition and diet
- Gut microbiome & Metabolism
- Stem cell therapy
- Immunotherapy for Type 1 diabetes
- Nanotechnology
- Diabetes Biomarkers and metabolomics
- Lifestyle & Diabetes prevention
- Global diabetes epidemiology
- Telemedicine in Diabeties care
- Insulin therapy
- Artificial pancreas technology
- Diabetes & Aging
- Neuroendocrinology
- AI in Diabetes Care
- Case-Reports & Case-studies

Diabetes 2026 *Market Analysis*

The global Diabetes and Metabolic Healthcare industry has experienced remarkable growth in recent years, driven by the increasing prevalence of diabetes, rising awareness of preventive healthcare, and continuous advancements in endocrinology and metabolic treatments. The market was valued at approximately US$ 89.5 billion in 2022 and is projected to reach US$ 96.8 billion in 2023. Over the next decade, the industry is expected to grow at a significant 8.7% compound annual growth rate (CAGR), reaching nearly US$ 221.4 billion by 2033. This rapid expansion highlights the growing demand for innovative diabetes management solutions, advanced therapies, digital health technologies, and personalized metabolic care worldwide.

TARGET AUDIENCE

- Endocrinologists
- Diabetologists
- Physicians & Medical Practitioners
- Diabetes Educators
- Nutritionists
- Researchers & Scientists
- Public Health Professionals
- Clinical Practitioners
- Academicians
- Clinic Administrators
- Medical Device Experts
- Digital Health Experts
- Healthcare Industry Representatives
- Healthcare Policy Makers
- Hospital Administrators

WHO SHOULD ATTEND?

- Curious Learners
- Knowledge Seekers
- Innovation Explorers
- Future Thinkers
- Science Enthusiasts

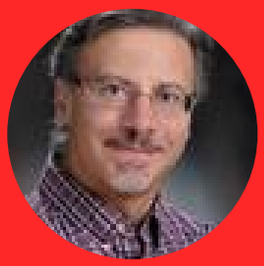

EDITORIAL BOARD MEMBERS

Chen Chen
Australia

Bruce Griffin
Uk

Amandio Vieira
Canada

Jiyoung Lee
USA

Why Attend?

- Stay updated on the latest advancements in diabetes research, endocrinology, metabolic disorders, and innovative treatment strategies.
- Gain valuable insights from leading endocrinologists, diabetologists, researchers, and healthcare experts from around the world.
- Explore breakthroughs in diabetes diagnostics, insulin therapies, digital health technologies, preventive care, and personalized medicine.
- Network with global healthcare professionals, academicians, clinicians, researchers, and industry leaders shaping the future of diabetes and metabolic healthcare.

CONFERENCE SCHEDULE

DAY 1 | September 17,2026

TIME	SESSION
08:00 - 09:00	Registrations
09:00 - 09:30	Plenary Session
09:30 - 10:30	Refreshment Break
10:30 - 11:00	Keynote Session
11:00 - 12:30	Lunch Break
12:30 - 13:30	Speaker session
13:30 - 15:00	Refreshment Break
15:00 - 15:30	Poster Session
15:30 - 18:00	Closing Ceremony

DAY 2 | September 18, 2026

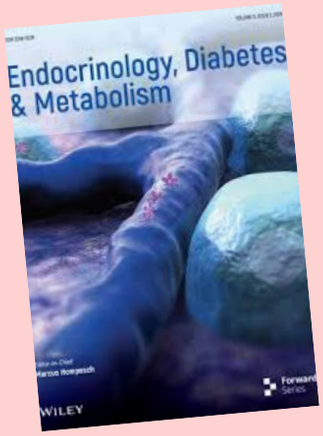

TIME	SESSION
08:00 - 09:00	Registrations
09:00 - 09:30	Plenary Session
09:30 - 10:30	Refreshment Break
10:30 - 11:00	Keynote Session
11:00 - 12:30	Lunch Break
12:30 - 13:30	Speaker session
13:30 - 15:00	Refreshment Break
15:00 - 15:30	Poster Session
15:30 - 18:00	Closing Ceremony

CONFERENCE AGENDA

The final scientific program will be uploaded one month prior to the event. Updates on new participants and any removals will be provided at the end of each month.

Supporting Journals

Sponsorship & Exhibitor

Gain maximum visibility at a premier conference dedicated to professionals in the field. Strengthen strategic relationships and connect with key decision-makers across the industry. Benefit from valuable networking opportunities with colleagues, government representatives, and private-sector partners. Promote your organization cost-effectively while enhancing brand awareness among a highly relevant audience. Showcase new products, services, and innovations to engaged attendees, and demonstrate your expertise to a targeted community. Enjoy expanded marketing reach through conference website features and associated promotional materials.

Local Participant Benefits

Participants from local universities and hospitals are eligible for a 20% discount.

The 10th International Conference on Endocrinology, Diabetes & Metabolism, taking place on September 17–18, 2026, in Paris, offers delegates the opportunity to experience one of the world's most iconic and culturally rich cities. Renowned for its historic landmarks, artistic heritage, and modern innovation, Paris combines timeless elegance with advanced healthcare and scientific excellence. Famous attractions such as the Eiffel Tower, Louvre Museum, Notre-Dame Cathedral, and the scenic Seine River make the city an inspiring destination for international attendees.

Culture & Etiquette

Paris is celebrated for its vibrant culture, sophisticated lifestyle, and welcoming atmosphere. Visitors are encouraged to respect local customs and maintain polite etiquette while visiting museums, restaurants, and public places. French is the official language, while English is commonly spoken in hotels, tourist attractions, and major business areas, ensuring convenience for international participants.

Visa & Travel Assistance

Participants requiring a visa to enter France are encouraged to begin their application process well in advance to avoid any travel delays.

For visa support letters or travel-related assistance, please contact:

enquiries@pulsusforums.com

Our team is pleased to assist with documentation and provide guidance to ensure a smooth and comfortable travel experience.

Abstract submission opens on: June 8 2026 **On-site registration :** Sept 17, 2026

Early bird registration opens on: May 29, 2026
