13TH WORLD CONGRESS ON

SPINE AND SPINAL DISORDERS

NOVEMBER 21-22, 2024 | DUBAI, UAE

https://spine.cmesociety.com/

INVITATION

SPINE 2024

INVITES YOU!

Save the Date!

Join the Global Movement for Back Health!

You are cordially invited to attend the 10th World Congress on Spine and Spinal Disorders, taking place on November 21-22, 2024 in Dubai, UAE.

Theme: United by the Spine: A Collaborative Approach to Back Wellness

This prestigious event will be a landmark gathering of leading spine specialists, researchers, and healthcare professionals from around the world. Together, we will share the latest advancements, best practices, and collaborative strategies for optimal spine care.

What to Expect:

- Engaging presentations and discussions on a wide range of spine-related topics
- Interactive workshops and networking opportunities to share knowledge and forge connections
- The opportunity to learn from and collaborate with renowned experts in the field

Don't miss this opportunity to be part of the future of spine care!

We look forward to welcoming you to Dubai for a productive and inspiring congress!

Regards
Helena Vance | SPINE 2024
Organizing Committee

CONFERENCE HIGHLIGHTS

- Spinal cord injuries and rehabilitation
- Degenerative spinal conditions
- Orthopedic spinal injuries
- Spinal deformities and scoliosis
- Aging spine and spinal fracture
- Sports and spine
- Spinal pathology
- Spinal tumors and infections
- Spine care in pediatric patients
- Advances in spinal imaging and diagnostics
- Spinal arthroplasty and motion preservation
- Minimally invasive spine surgery
- Robotic technology in spine surgery
- Navigation-assisted spine surgery
- Smart operating room technology

35
Years Excellence

ABOUT US

Since many years Pulsus has also been very instrumental to provide an invaluable channel for Scientists and Researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between Universities, Institutions, research bodies and Organizations from different countries through International Conferences and Meetings.

Pulsus Group is an International Renowned Medical peer-review publisher and conference organizer established in the year 1984 publishes and hosts the work of Researchers in a manner that exemplifies the highest standards in research integrity.

With a legacy of more than 35 years of excellence in Medical Publishing we are endorsed by various societies like World Association of Medical Sciences, International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, International Society for Ceramics in Medicine, Thalassemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

MARKET ANALYSIS

Spine & Spinal Disorders Market: Growing due to Aging & Innovation

- Rising demand: Aging population with back pain fuels need for treatment.
- Minimally invasive surgery: Faster recovery driving market shift.
- Tech advancements: Robotics, AI, biomaterials lead to more precise procedures.
- Market size: ~$12 billion in 2023, expected to reach ~$15 billion by 2028.
- Challenges: High costs, insurance hurdles, regulatory delays.

Overall, a promising market with increasing demand for innovative solutions.

TARGET AUDIENCE

- Spine Surgeons and Neurosurgeons.
- Orthopedic Surgeons and Physiatrists
- Physical Therapists and Occupational Therapists
- Biomedical engineers.
- Neuroscientists
- Geneticist
- Public Health Professionals
- Patient Advocacy Groups
- Medical Device and Pharmaceutical Companies

WHO SHOULD ATTEND

- Spine Surgeons and Neurosurgeons.
- Orthopedic Surgeons and Physiatrists
- Physical Therapists and Occupational Therapists
- Biomedical engineers.
- Neuroscientists
- Geneticist
- Public Health Professionals
- Patient Advocacy Groups
- Medical Device and Pharmaceutical Companies

WHY TO ATTEND

The 10th World Congress on Spine and Spinal Disorders offers a unique opportunity for healthcare professionals, researchers, and anyone passionate about back health to elevate their knowledge and impact. Immerse yourself in the latest advancements in diagnosis, treatment, and rehabilitation strategies. Network with leading spine specialists and colleagues from across the globe, fostering collaboration and knowledge exchange. Whether you're a seasoned professional or just starting your journey, this conference promises an enriching experience that will empower you to make a positive difference in the lives of patients with spinal disorders. Don't miss this chance to be a part of the global movement towards a healthier future for all!

ABOUT VENUE

Dubai is a global city and one of the emirates that make up the United Arab Emirates (UAE). It's known for its luxury shopping, ultramodern architecture, and lively entertainment scene. Dubai has a number of world-class attractions, including the Burj Khalifa, the world's tallest building; the Palm Jumeirah, an artificial archipelago shaped like a palm tree; and the Dubai Mall, one of the largest shopping malls in the world.

The city also has a number of beaches, parks, and museums. Dubai is also a major center for business and finance. The city is home to a number of free zones, which offer businesses a number of advantages, such as tax breaks and exemption from customs duties. Dubai is also a major transportation hub, with a number of international airports and seaports.

Dubai has a well-developed transportation system, which includes a metro system, a tram system, and a bus system. Taxis are also readily available. The city is also home to Dubai International Airport, one of the busiest airports in the world.
