11th World Congress on

Nursing and Healthcare WCN 2022

November 21-22, 2022 | London, UK

https://nursing-healthcare.cmesociety.com/

WHY SHOULD YOU ATTEND WCN 2022?

1

PRESENTATION

Primary goal of attending an international conference is to present a paper to the experts and influencers. It gives you a platform to exchange your interest-related thoughts, paving the way for possible future collaborations.

2

CONNECT

Use this platform to build connections with an elite group of wise men and women to enhance your intellect. Young entrepreneurs, this is a great platform to connect with your peers.

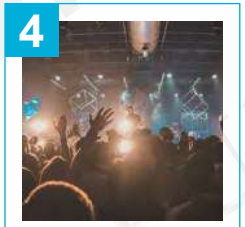

3

EXCEL

Knowledge is Power. Knowledge teaches skills. Skills define excellence. Use this platform to become cognizant of your interest area to achieve excellence in your domain.

4

PUBLICATION

Attending a conference give you opportunity to get your abstract or paper published in conference proceedings

5

COLLABORATION AND FRIENDSHIP

Meet and greet a myriad of industry professionals and academia experts with common interest. Every meal will be an opportunity to meet and interact with fellow researchers, attendees and experts.

6

REINVENT SKILLS IN PROFESSIONAL DEVELOPMENT WORKSHOPS

Expand your professional competency and learn useful tips and tricks of your industry in our skill-building workshops.

7

LEARN ABOUT THE LATEST DEVELOPMENTS

Explore insights on recent advancements, new equipment, new techniques, and unpublished data, learn from thought-leaders and get to network with a great line up of speakers.

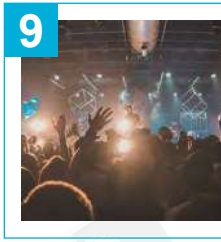

9

GET EXCEPTIONAL VALUE FOR YOUR REGISTRATION FEE

Investing in you is the best investment. Peers Alley conferences give the patrons with a feeling of the serendipity of real learning, skill development in strategic workshops, networking and start-up opportunities, thus, is value for money.

9

CAPITALIZE ON YOUR TIME BY VISITING THE EXHIBITS

Our exhibits floor offers the attendees with a dynamic display of the latest products with cutting-edge technology.

10

TRAVELING

Attending the conference gives you much needed break from your regular duties. It also allows you to explore new cities, culture and meet new people. You will feel energized and rejuvenated to return to the university and continue with the job after attending the conference.

ABOUT WCN 2022: HYBRID EVENT

After the grand success of series of nursing conference, we solicit your gracious presence at the "**11th World Congress on Nursing and Healthcare WCN 2022** which will be conducted during Nov 21 - 22, 2022 as a hybrid event at London, UK and virtually. The conference will emphasize the theme "Contribution of Nurses in in delivering Healthcare"

This congress is designed to assist attendees from both academic and clinical settings in gathering and examining emerging patterns, challenges, and administration in Nursing Practice and Research.

Distinguished speakers, researchers, scientists, academicians, nurses, nursing practitioners, healthcare professionals, midwives, clinicians, and industry giants from around the world will present outstanding research that informs improvements in nursing practice, education, and management at this conference.

The global congress provides an opportunity to network with **nursing colleagues, academicians, researchers, and clinical practitioners** who will present evidence-based discoveries for improving patient care quality and safety, as well as healthcare delivery systems in global health. This conference provides a wonderful opportunity for all nursing professionals to learn about current trends in nursing practice around the world. Keynote addresses, oral presentations, poster sessions by young researchers and students, seminars, and networking opportunities are all part of this three-day event.

During this event, internationally recognized **nursing experts, renowned doctors, highly cited academic scientists, health care practitioners, industry delegates, talented young scientists, and midwifery specialists** will share and discuss their most recent findings, ideas and achievements.

As a result, this year's program will be enriched by the world's finest experts in this field. Without a doubt, attendees at the 11th World Congress on Nursing and Healthcare will get the opportunity to interact with some of the top specialists in the field and will return home with a wealth of knowledge.

PAST CONFERENCE TESTIMONIALS

"I had the privilege of being a moderator of 2 days Nursing Education conference. The conference has been very well organized. We had good lectures and we have learned a lot from it. I would like to thank the organizers to making the event a successful one. And would love to be a part of Nursing Science 2020"

Rabie'e Al Rashdi

Planning & Development Expert, OAAA, Oman

"I'm really happy to be in Dubai for the Nursing Education 2020 conference. It was amazing. I had an opportunity of meeting significant colleagues from all over the world. It has been awesome to share clinical information's together. I really wish to come to the upcoming conference. I really appreciate the team for inviting me as a guest speaker."

Shade Akande

Cardiac Nursing Head, CB Medical Inc., USA

"The conference is very interesting and great networking with the globe. Fantastic to have Dr. Ahmed Bahnassy here with his research paper. We are influenced by the great outcome of this conference. It's very interesting to listen different sessions taken by the people. Lot of topics have been discussed by insisting huge difference between nursing and medical care."

Sue Kitching

Director of Nursing, Northern Area Armed Forces Hospital, KSA

"What an amazing 3 days in Paris. Want to thank for inviting me to 2 days of fantastic conferences. Met amazing leaders, brilliant speakers from many different countries

I spoke on patient safety and empowering nurses to speak-up and nursing leadership."

Umesh Prabhu

Medical Director of NHS, UK

"It was such a pleasure to participate in such a great event. Being a part of this great experience has given me the opportunity to gain insight and knowledge regarding nursing practices around the world. This experience has also allowed me to network with other healthcare professionals. I look forward to collaborating with Pulsus on future events."

Lakel Ebb

wealthy Nurse Institute, USA

"It was a great experience. The conference was Big and I was glad to do it and meet nurses from all over. Thx for the opportunity!"

Laura Chung

Boston Children's Hospital, USA

AWARDS- YOUNG RESEARCH FORUM AND RESEARCH EXCELLENCE AWARDS

PULSUS publicizes an outline of Awards for Young Scientists in order to help excellence in various fields of science and technology. These Awards are known as **"Young Scientist Awards"** and **"Research Excellence Awards"**. The award is open to those researchers involved in graduate Science and research happenings that accentuate bearable progress.

Benefits:

- Advancing perfection and perceiving remarkable commitments made by the youthful researchers for their work done essentially during the span of study.
- Find out about career advancement and the most recent research devices and technologies in your field.
- Graduates are motivated by the chance to choose neighborhood or worldwide subjects of pertinence/enthusiasm to them, and build up their own logical examinations and models drawing in locally or universally.
- Two researchers will be chosen for the Awards.
- Chance to be a student envoy.
- Chances to coordinate with partners around the world
- Discounts at the PULSUS conferences, at different worldwide venues in future.
- Chance to distribute full length papers in rumored supporting international journals of respective conference
- Best Young Scientist Award introduction will be named by the board and in the event that they wish to publish the full length paper, they can publish in supporting worldwide journals of the respective conference at free of preparing charges.
- A poster is a method of presenting your research to an audience in a visual format. Pulsus Conferences offers the unique opportunity to showcase your research in the poster format.
