14TH INTERNATIONAL CONFERENCE ON

ARTHRITIS AND RHEUMATOLOGY

JULY 10-12, 2023 | ROME, ITALY

https://rheumatology.pulsusconference.com/

INVITAITON

RHEUMATOLOGY CONGRESS 2023

Greetings!

Pulsus Group is ecstatic to welcome all Doctors, Physicians, Rheumatologists, Orthopedists, Immunologists, Researchers, Scientists, Nurses, Healthcare Providers, Leaders, Healthcare Professionals and Students to the "14th International Conference on Arthritis and Rheumatology". The conference is scheduled on July 10-12, 2023 in Rome, Italy. Discussing recent and forthcoming advancements in the domains of rheumatology, arthritis, and allied fields is the conference's main theme.

The Rheumatology Congress 2023 will feature intellectual and insightful talks, discussions, debates, and exhibits from some of the most prestigious brands and companies. For three days, you will have an enriching experience that will help you build your network and brand.

Our conference will give professionals and students a fantastic platform to present their research and interests and to establish themselves on the international scene. Our keynote and plenary speakers will share with us their most recent projects, any difficulties they encountered, as well as their overall experiences. The conference's theme for the Rheumatology Congress 2023 is "Opportunities and Challenges for Future Innovative Rheumatology and Arthritis Treatments."

Our conference is taking place in Dubai, United Arab Emirates, popularly referred to as the "The Eternal City". It is also a well-known tourist destination with a variety of amazing and captivating attractions.

Join us in the "The Eternal City" for an educational and enjoyable experience!

Regards,
Sara Langford | Program Manager
Organizing Committee | Rheumatology Congress 2023

CONFERENCE HIGHLIGHTS

- Rheumatology
- Arthritis
- Rheumatoid Arthritis
- Osteoarthritis
- Ankylosing Spondylitis
- Fibromyalgia
- Gout
- Lyme Disease
- Connective Tissue Diseases
- Osteoporosis
- Pain Management
- Psoriatic Arthritis
- Spondyloarthritis
- Systemic Lupus Erythematosus
- Pediatric Rheumatology
- Rheumatic Heart Disease
- General Medicine
- Autoimmunity
- Autoinflammatory Diseases
- Genetic Diseases of Connective Tissues
- Hip, Knee and Shoulder Replacement Surgery
- Current Scenario of Global Healthcare

ABOUT US

Pulsus Group is an internationally renowned peer-review publisher in scientific, technical, and medical journals established in the year 1984 with offices in Ontario, Canada and Hyderabad, India has acquired Andrew John Publishing and openaccessjournals.com to expand its Open Access Publishing through its 50+ journals in association with 20+ International medical and scientific societies.

Pulsus through its cmesociety.com is been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international CME/CPD accredited conferences and meetings.

Pulsus Group is a Medical publisher that adheres to stringent peer-review procedure with a view to set an example in promoting standard medical research with integrity. Pulsus Group takes pride in getting the endorsements of prestigious associations and societies like Canadian medical societies. As an ardent supporter of medical publishing, Pulsus Group closely associates with the Canadian and other international medical research associations. It publishes a wide range of medical journals that focus on medical specialties like cardiology, Integrative Medicine, Surgery and Reproductive Medicine.Pulsus group is closely associated with globally renowned academic and research societies like Canadian Society of Plastic Surgeons, Canadian Society for Aesthetic Plastic Surgery, Groupe pour l'Avancementde la Microchirurgie Canada, Canadian Society for Surgery of the Hand.

MARKET ANALYSIS

The immune system plays a crucial role in the development of rheumatoid arthritis, which causes inflammation in the body's joints. As the condition worsens, the disease also has an impact on the tendons, connective tissues, muscles, and fibrous tissues. The performance of daily duties, such as housework and employment, is impacted by rheumatoid arthritis, which also increases mortality. According to some research, people who smoke frequently are at a higher risk of developing rheumatoid arthritis.

Future Market Scenario: Demand for rheumatoid arthritis treatment is being fuelled by an increase in the prevalence of arthritis and associated joint issues. Rheumatoid arthritis is on the rise as a result of the shift to an unhealthy lifestyle, rising metabolic disorders & age, family history of joint diseases, and increased obesity. Manufacturers are focusing on partnerships with other players to enhance their position in this space.

Treatments and Therapeutics Aiding Market Expansion: Different biologic treatment regimens for RA are predicted to produce more thorough control of joint degeneration and inflammation. TNF inhibitors and interlukin-17 inhibitors like secukinumab appear to be a more promising combination therapy even though the initial trial on combination therapy with anakinra and abatacept was demonstrated to increase the likelihood of infection. In the murine experimental arthritis model, recent pre-clinical studies have demonstrated that combination is significantly capable of lowering joint pathology. So, it makes sense that TNF inhibitors and an anti-IL-17 antibody would be used in the future. Furthermore, during the course of the projection period, a new era of bi-specific antibodies is anticipated to drive market expansion.

TARGET AUDIENCE

- Rheumatologists
- Orthopedists
- Doctors
- Healthcare Providers
- Surgeons
- Students
- Nurses
- Researchers
- Scientists
- Caregivers
- Institutions, Societies & Associations

WHO SHOULD ATTEND

- Surgeons
- Doctors
- Healthcare Associations and Societies
- Rheumatologists
- Orthopedists
- Student Researchers
- Professors
- Educational Institutions
- Entrepreneurs
- Corporate Leaders
- Sales Representatives
- Companies
- You!

WHY TO ATTEND

With Rheumatology Congress 2023, oral presentations, posters, seminars, and numerous interactive sessions offered by keynote speakers who shed light on the topic of Rhuematology and Arthritis are all included. In order to develop the field of Rhuematology and Arthritis , this conference is focused on showcasing the most cutting-edge methods of treatment. Our mission is to provide an excellent curriculum that covers the whole range of research and advances in Rhuematology and Arthritis care and shares the cross-cultural experiences of diverse treatment methods.

- Eminent speakers from around the will present and discuss their most recent findings on Rheumatology and related.
- Interactive sessions from 50+ Speakers
- 5+ Workshops
- An enriching experience for 3 days

WHY SPONSOR OUR EVENT?

Maximum exposure at a premier conference devoted to those involved in the office professional industry.
An opportunity to build and reinforce strategic relationships within the office professional industry.
Time to network with industry colleagues and key decision makers.
A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.
Access to a broad network of industry partners from state and federal Government departments and the private sector.
Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.
Increased marketing opportunities including visibility on the conference website and associated marketing materials

DIAMOND SPONSOR $10000

- Top billing logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Three corporate sponsored workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Four complimentary registrations.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

GOLD SPONSOR $7500

- Logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Two corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Three complimentary congress registrations.
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

SILVER SPONSOR $5000

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- Two complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

BRONZE SPONSOR
$3500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

EXHIBITION SPONSOR
$2500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Half Page A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 25% discount on both Extra Delegate Registrations and Booth

ABOUT VENUE

Rome, also known as Roma in Italian, is the nation's capital and home to 2.8 million people who identify as Romans. The twins Romulus and Remus are credited with founding Rome in 753 BCE. The city was built on top of seven hills: Palatine Hill, Aventine Hill, Capitoline Hill, Caelian Hill, Esquiline Hill, Quirinal Hill, and Viminal Hill. It is situated along the banks of the Tiber River. Later, the vast Roman Empire would be centered in particular around the region surrounding Capitoline Hill and Palatine Hill. The Colosseum provides you an idea of how gladiators had to engage in combat in this immense Roman Amphitheatre, and there are several remnants and excavations of the Forum Romanum nearby.

Rome is a city full of monuments, squares, museums, and other attractions. The Italian city has more to offer than just the Colosseum, the Pantheon, and St. Peter's Basilica in Vatican City, which are the main Rome tourist attractions. The pope is the head of state of the tiny nation-state known as Vatican City. The St. Peter's Basilica and St. Peter's Square, famous for the pope's "Urbi et Orbi" speeches, occupy the majority of this tiny state's 44 hectares of land. The Sistine Chapel, a component of the Vatican Museums, will likely serve as the high point of many visitors' trips to Vatican City. Michelangelo painted stunning frescoes to decorate the area where cardinals convene to elect a new pope.

The public transportation system in Rome is affordable and easily accessible. Two metro lines in the city are finished. The numerous excavations have caused numerous delays for a third metro line. There are several affordable tourists passes available to pick from while using public transportation as a visitor.

Abstract submission opens: October 20, 2022 | **Registration opens:** October 20, 2022
Early bird registration: February 20, 2023 | **On spot registration: July** 10. 2023
