About City and Venue

PULSUS
WWW.PULSUSCONFERENCE.COM

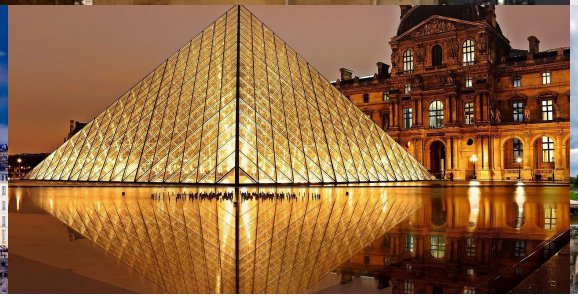

Paris is the capital and most populous city of France, Paris has been one of Europe's major centres of finance, diplomacy, commerce, fashion, gastronomy, science, and arts. The City of Paris is the centre and seat of government of the region and province of France . The centre of Paris contains the most visited monuments in the city, the Eiffel Tower are located on the Left Bank south-west of the centre. Paris has acquired a reputation as the "City of Art.

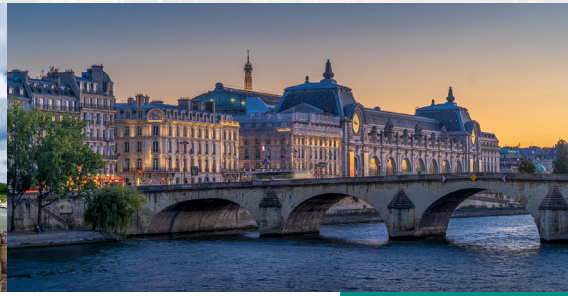

Paris had always been a destination for traders, students and those on religious pilgrimages, Paris' first 'mass' attractions, drawing international attention, were the Expositions Universelles, These Expositions, in addition to the Capital's Second Empire embellishments, did much to make the city into the attraction it is today.

The museums and monuments of Paris are its most sought-after attractions, The city's most prized museum, the Louvre. Paris' cathedrals are another main attraction The Eiffel Tower, by far Paris' most famous monuments. Disneyland Resort Paris is a major tourist attraction, not only for visitors to Paris.
