2ND WORLD CONGRESS ON

PETROCHEMISTRY AND CHEMICAL ENGINEERING

MARCH 06-08, 2023 | DUBAI, UAE

https://petrochemistry.pulsusconference.com/

INVITAITON

PETROCHEMISTRY 2023

Good will,

Petrochemistry 2023 desire the honor and pleasure of your existence at the **2nd World Congress on Petrochemistry and Chemical Engineering** is scheduled to take place on **March 06-08, 2023** in **Dubai, UAE.** This occasion, the theme of **"Advanced Mechanization for Petrochemical Engineering Progression"** will energize the participants, professors, and researchers in the field of petrochemistry. Petrochemistry 2023 will provide fresh perspectives, convictions, methods, and strategies in areas where none of the other conferences have been able to do so with a strong line up of keynote speakers, qualified participants, and interesting topics. Petrochemistry 2023 invite you everyone to join the conference, where the topics covered in the many theme sessions will be discussed.

Petrochemistry 2023 pleased to encourage prospective writers to submit their original works to this important conference, where you can be sure to have valuable interactions with academics and experts from other cultures and countries. Petrochemistry 2023 consists of Oral presentation, Poster presentationand Workshop, and many interactive sessions by the Keynote speakers which provide us a ray of light in the field of Petroleum and Chemical Engineering. So this conference is all about bringingout the advanced techniques and treatment in this field thereby providing a pathway to lighten in the field of Petroleum and Chemical Engineering. Our goal is to deliver an outstanding program which covers the entire spectrum of research & innovations in Petroleum and Chemical Engineering and share the cross-cultural experiences of various treatment procedures.

Regards,
Natalie Milton | Program Manager
Organizing Committee | Petrochemistry 2023

CONFERENCE HIGHLIGHTS

- Petrochemistry
- Chemical and Biochemical Engineering
- Oil and gas engineering
- Petrochemical Refining Processes
- Refining Operations & Technology
- Renewable Energy and Power Systems
- Advanced Drilling and well Technologies
- Reservoir Engineering
- Petrochemical processes
- Nanochemistry and Nanotechnology
- Industrial and Medicinal Chemistry
- Bioenergy and Biofuels
- Biopolymer Chemistry and Research
- Upstream, Downstream & Midstream Integration
- Environmental Impacts in Petroleum Engineering

ABOUT US

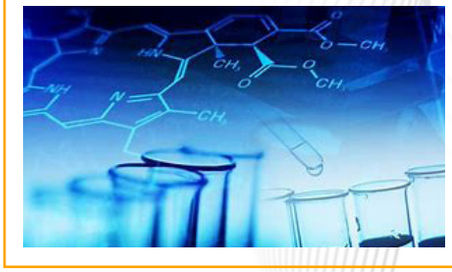

Pulsus Group is an internationally renowned peer-review publisher in scientific, technical, and medical journals established in the year 1984 with offices in Ontario, Canada and Hyderabad, India has acquired Andrew John Publishing and openaccessjournals.com to expand its Open Access Publishing through its 50+ journals in association with 20+ International medical and scientific societies.

Pulsus through its cmesociety.com is been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international CME/CPD accredited conferences and meetings.

Pulsus Group is a Medical publisher that adheres to stringent peer-review procedure with a view to set an example in promoting standard medical research with integrity. Pulsus Group takes pride in getting the endorsements of prestigious associations and societies like Canadian medical societies. As an ardent supporter of medical publishing, Pulsus Group closely associates with the Canadian and other international medical research associations. It publishes a wide range of medical journals that focus on medical specialties like cardiology, Integrative Medicine, Surgery and Reproductive Medicine.Pulsus group is closely associated with globally renowned academic and research societies like Canadian Society of Plastic Surgeons, Canadian Society for Aesthetic Plastic Surgery, Groupe pour l'Avancementde la Microchirurgie Canada, Canadian Society for Surgery of the Hand.

MARKET ANALYSIS

The global petrochemistry market size was estimated to be $560 billion in 2023 and is projected to reach $1.01 trillion by 2030, registering a CAGR of 6.9 % from 2023 to 2030.

Petrochemistry 2023 forums play a vital role in exchanging ideas and innovations in all the fields of petroleum, chemical engineering, oil & gas, petroleum refineries, renewable energy, geochemistry, industrial and medicinal chemistry and more.

Petrochemistry 2023 brings together most innovative-provoking research findings from the globe catalysing information exchange and networking opportunities to have a greater vision of petroleum and chemical engineering.

Petrochemistry conference 2023 have analysed this report to share the market value of petrochemistry among the target audience with an international world class forum to participate and collaborate at this prestigious event.

TARGET AUDIENCE

- Research Faculties
- Academic Scientists
- Petrochemical Analysts
- Doctors
- Scientists and
- Professors
- Students
- Chemical Engineering
- Companies
- Business
- Entrepreneurs
- Industry Professionals
- Petroleum Colleges and
- Universities
- Petroleum Associations
- and Societies
- Directors/Managers/
- CEO's
- Presidents & Vice
- Presidents
- Educational Institutions

WHO SHOULD ATTEND

- Petroleum Engineers
- Petroleum Associations and Societies
- Professors, Students & Delegates of Chemical engineering
- Petroleum Engineering Professionals
- Core field Scientists and Researchers
- from petrochemistry
- Petroleum and Chemistry Faculty
- Aviation and Automobile companies
- The Society of Petroleum Engineers
- Petroleum Industrialist
- Petroleum, Oil and Gas Researchers
- Petrochemical Scientists
- Oil and Gas Companies

WHY TO ATTEND

With Petrochemistry 2023, oral presentations, posters, seminars, and numerous interactive sessions offered by keynote speakers who shed light on the topic of Petroleum and Chemical Engineering are all included. In order to develop the field of Petroleum and Chemical Engineering, this conference is focused on showcasing the most cutting-edge methods of treatment. Our mission is to provide an excellent curriculum that covers the whole range of research and advances in Petroleum and Chemical Engineering and shares the cross-cultural experiences of diverse treatment methods.

- Influential keynote speaker session
- 5+ Workshops
- 13 Interactive sessions based on evidence from 50+ participants
- Faculty across 3 full days
- A mix of academic and healthcare delegations

WHY SPONSOR OUR EVENT?

Maximum exposure at a premier conference devoted to those involved in the office professional industry.
An opportunity to build and reinforce strategic relationships within the office professional industry.
Time to network with industry colleagues and key decision makers.
A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.
Access to a broad network of industry partners from state and federal Government departments and the private sector.
Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.
Increased marketing opportunities including visibility on the conference website and associated marketing materials

DIAMOND SPONSOR $10000

- Top billing logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Three corporate sponsored workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Four complimentary registrations.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

GOLD SPONSOR $7500

- Logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Two corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Three complimentary congress registrations.
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

SILVER SPONSOR $5000

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- Two complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

ABOUT VENUE

Dubai is the headquarters and largest city of the Emirate of Dubai, also the most populous municipality in the United Arab Emirates. Abu Dhabi, Sharjah, and Oman are indeed neighbouring to Dubai, which is situated on the eastern coast of the Arabian Peninsula among countries. Mountains, the ocean, and woodland form a challenging harmony. Featuring most of the best infrastructure, five-star hotels in the world, and a cosmopolitan lifestyle, Dubai is considered one of the most attractive destinations for travellers around the world. The city is also home to some of the most charming tourist sites and stunning beaches in the United Arab Emirates.

Currently, there is a demand for gatherings like conferences, symposia, seminars, and other associated gatherings due to the significant contribution of petroleum and chemical research and development, which might meet the rising necessity innovation in the environmental, medical, security, academic, and industrial sectors. Dubai is known for being the most cosmopolitan, cutting-edge, and popular location for world-wide conventions and conferences.
