Letter of Acceptance

Abstract Ref No: PC-NE123-S260

Date: June 16, 2023

Dear Dr. Lili Gong,
Sun Yat-Sen University, China.

Congratulations! We are delighted to inform you that your abstract submission for the upcoming Neurology Conference has been accepted. Your contribution titled ***"BET inhibition protects against light-induced retinal degeneration by inhibiting retinal inflammation and STING activation in microglia"*** has demonstrated significant value and aligns perfectly with the objectives of the Conference.

We would like to solicit your gracious presence as a speaker at the upcoming "**3rd International Conference on Neurology and Neurological Disorders**", which is going to be held October 16–18, 2023 in the famous city of *Paris, France.*

As an Accepted presenter, you will have the opportunity to deliver a Talk, present your findings during dedicated sessions, and participate in engaging workshops. These platforms will enable you to share valuable insights, discuss challenges, and explore potential solutions to advance the field of neurology.

By Showcasing Innovative Research, Ground-Breaking Techniques, and Emerging Technologies, we seek to inspire collaboration, encourage interdisciplinary approaches, and stimulate further advancements in the Neurology.

To Ensure your abstract's inclusion in the conference proceedings, we kindly request that you or a nominated presenting co-author complete the registration process by the author registration deadline of **June 20, 2023**. This will allow us to finalize the program and make necessary arrangements for your presentation.

Registration Link: https://rebrand.ly/NeurologyRegister

Join us in creating lasting memories at the "3rd International Conference on Neurology and Neurological Disorders".

Best regards,

Riya Albie,
Program Director | Neurology Conference 2023,
WA: (44) 738 964 3966.

Disclaimer: This Letter of Acceptance is to present in the Neurology Conference 2023 only.
