3RD WORLD CONGRESS ON
HEALTH CARE AND MEDICAL SCIENCE

NOVEMBER 23 -25, 2023 | LONDON, UK

https://medicalsciences.cmesociety.com/

INVITATION

HEALTH CARE 2023

We are thrilled to invite you to the Healthcare Conference 2023, a prestigious event that aims to bring together renowned healthcare professionals, researchers, medical practitioners, and industry experts from around the world. With the theme "**Exploring the Latest Techniques and Strategies in Health Care and medical science**" this conference will be held in the beautiful city of London, UK.

As one of the leading conferences in the field of healthcare, our event will serve as a platform to explore and discuss cutting-edge advancements in various areas of healthcare. We are particularly focused on showcasing innovative technologies that are transforming the landscape of Medical Science and Organ surgery. Through engaging keynote speeches, enlightening plenary sessions, interactive workshops, and informative poster presentations, we aim to foster an environment of collaboration and knowledge exchange. Healthcare Conference 2023 presents a unique opportunity for medical universities, Medical companies, and healthcare professionals to network, share their expertise, and stay up-to-date with the latest developments in the ever-changing field of healthcare. By attending, you will have the chance to interact with medical researchers, businesspersons, and other influential figures who are driving advancements in Health Care and Medical Science. We are excited to offer early bird registration discounts for those who confirm their participation in the Healthcare Conference 2023 well in advance. Take advantage of this opportunity to secure your spot and join us in this remarkable gathering of like-minded professionals. Together, we can contribute to shaping the future of healthcare.

Regards

Zara Juliet | Health Care 2023

HEALTHCARE CONFERENCE 2023

39

ABOUT US

Pulsus Group is an internationally renowned peer-review publisher in scientific, technical, and medical journals established in the year 1984 with offices in Ontario, Canada and Hyderabad, India has acquired Andrew John Publishing and openaccessjournals.com to expand its Open Access Publishing through its 50+ journals in association with 20+ International medical and scientific societies.

Pulsus through its cmesociety.com is been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies ,organizations and scientific societies also from different countries through international CME/CPD accredited conferences and meetings.

Pulsus Group is a Medical publisher that adheres to stringent peer-review procedure with a view to set an example in promoting standard medical research with integrity. Pulsus Group takes pride in getting the endorsements of prestigious associations and societies like Canadian medical societies. As an ardent supporter of medical publishing, Pulsus Group closely associates with the Canadian and other international medical research associations. It publishes a wide range of medical journals that focus on medical specialties like cardiology, Integrative Medicine, Surgery and Reproductive Medicine.Pulsus group is closely associated with globally renowned academic and research societies like Canadian Society of Plastic Surgeons, Canadian Society for Aesthetic Plastic Surgery, Groupe pour l'Avancementde la Microchirurgie Canada, Canadian Society for Surgery of the Hand and also scientific societies like Material Science, Physics, Chemistry, food research associations. It publishes a wide range of journals.

MARKET ANALYSIS

The small island nation of the United Kingdom is situated just off the coast of Western Europe. Along with the western portion of the island of Ireland, the United Kingdom includes the entire island of Great Britain, which is made up of England, Wales, and Scotland. London, the country's capital, is one of the most important commercial, financial, and cultural hubs in the world. On a 242,495 square kilo meter area, there are 66.87 million people living there. In comparison to the previous year, the United Kingdom's GDP grew at a pace of about 1.41 percent in 2019.

Every permanent resident of the United Kingdom has access to public healthcare. When necessary, healthcare is provided for no cost and is financed by general taxes. nearly 4.5% of the average citizen's income, or nearly 18% of income tax, is allocated to healthcare. Approximately 8.4% of the UK's GNP is spent on healthcare overall. Although it is currently much smaller than the public sector, the private healthcare industry in the UK is also expanding.

The NHS is a publicly funded healthcare system in the United Kingdom. A collection of publicly funded healthcare systems in the UK make up the NHS. It includes the NHS Scotland, NHS Wales, and Northern Ireland Health and Social Care in addition to the National Health System (England).

ABOUT VENUE

London, the capital city of the United Kingdom, is a vibrant and cosmopolitan metropolis that effortlessly blends history, culture, and modernity. With its rich heritage, iconic landmarks, diverse population, and bustling energy, London stands as one of the world's most influential and captivating cities. Hisory permeates every corner of London, from its ancient Roman roots to its medieval past and the royal legacy of the British monarchy. The city boasts architectural marvels such as the majestic Tower of London, a UNESCO World Heritage Site that has witnessed centuries of history. The grandeur of Buckingham Palace, the residence of the British monarch, and the iconic Big Ben clock tower are also emblematic symbols of London's regal charm. London's cultural tapestry is equally mesmerizing. The city hosts an impressive array of museums and art galleries, including the British Museum, Tate Modern, and the National Gallery. These cultural institutions house an extensive collection of historical artifacts and world-class artworks that showcase the depth and breadth of human creativity throughout the ages.The West End, London's renowned theater district, is a hub of entertainment and creativity. The area is home to numerous theaters, offering a diverse range of theatrical productions, musicals, and live performances that attract both locals and visitors alike. From classic plays to avant-garde productions, the West End remains a thriving center for the performing arts.London's culinary scene is a delightful fusion of flavors from around the world. The city embraces a multicultural identity, reflected in its diverse range of restaurants, street food markets, and gastronomic experiences. From traditional British fare to international cuisines, food enthusiasts can embark on a culinary journey that satisfies every palate.
