3RD WORLD CONGRESS ON HEALTH CARE AND MEDICAL SCIENCE

NOVEMBER 23 -25, 2023 | LONDON, UK

https://medicalsciences.cmesociety.com/

INVITATION

HEALTH CARE 2023

Dear Colleagues and Medical Science Professionals,

Greetings from Medical Science Congress 2023.

On behalf of the Medical Science Congress Organizing Committee, it is my great pleasure to extend a warm and heartfelt welcome to all of you to the **3rd World Congress on Health Care and Medical Science** taking place from **November 23-25, 2023** at **London, UK**.

As the Organizing Committee Member (OCM) for this prestigious event, I can assure you that we have put in our utmost efforts to curate an enriching and memorable congress experience for all participants. Our goal is to create a platform where medical professionals, researchers, scholars, and students can come together to share knowledge, exchange ideas, and foster collaborations to advance the frontiers of medical science.

This congress is not just an opportunity to showcase your research findings and expertise but also a chance to connect with like-minded individuals from around the world. The networking opportunities offered during the event could potentially lead to new partnerships, collaborations, and friendships that last a lifetime.

We encourage all participants to actively engage in discussions, share insights, and contribute to the vibrant scientific atmosphere that will permeate throughout the congress. Your active participation is vital in making this event a resounding success.

We would like to extend our heartfelt gratitude to each and every one of you for being a part of this incredible gathering. Your dedication to medical science and your passion for advancing healthcare have brought us together, and we are confident that your contributions will have a lasting impact on the field.

Once again, welcome to the Medical Science Congress 2023. Let us make the most of this opportunity to learn, grow, and inspire one another as we collectively shape the future of medical science.

Wishing you all a productive and fulfilling congress!

Warm regards,

Ali Kchaou

HEALTHCARE CONFERENCE 2023

39

ABOUT US

Pulsus Group is an internationally renowned peer-review publisher in scientific, technical, and medical journals established in the year 1984 with offices in Ontario, Canada and Hyderabad, India has acquired Andrew John Publishing and openaccessjournals.com to expand its Open Access Publishing through its 50+ journals in association with 20+ International medical and scientific societies.

Pulsus through its cmesociety.com is been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies ,organizations and scientific societies also from different countries through international CME/CPD accredited conferences and meetings.

Pulsus Group is a Medical publisher that adheres to stringent peer-review procedure with a view to set an example in promoting standard medical research with integrity. Pulsus Group takes pride in getting the endorsements of prestigious associations and societies like Canadian medical societies. As an ardent supporter of medical publishing, Pulsus Group closely associates with the Canadian and other international medical research associations. It publishes a wide range of medical journals that focus on medical specialties like cardiology, Integrative Medicine, Surgery and Reproductive Medicine.Pulsus group is closely associated with globally renowned academic and research societies like Canadian Society of Plastic Surgeons, Canadian Society for Aesthetic Plastic Surgery, Groupe pour l'Avancementde la Microchirurgie Canada, Canadian Society for Surgery of the Hand and also scientific societies like Material Science, Physics, Chemistry, food research associations. It publishes a wide range of journals.

MARKET ANALYSIS

The small island nation of the United Kingdom is situated just off the coast of Western Europe. Along with the western portion of the island of Ireland, the United Kingdom includes the entire island of Great Britain, which is made up of England, Wales, and Scotland. London, the country's capital, is one of the most important commercial, financial, and cultural hubs in the world. On a 242,495 square kilo meter area, there are 66.87 million people living there. In comparison to the previous year, the United Kingdom's GDP grew at a pace of about 1.41 percent in 2019.

Every permanent resident of the United Kingdom has access to public healthcare. When necessary, healthcare is provided for no cost and is financed by general taxes. nearly 4.5% of the average citizen's income, or nearly 18% of income tax, is allocated to healthcare. Approximately 8.4% of the UK's GNP is spent on healthcare overall. Although it is currently much smaller than the public sector, the private healthcare industry in the UK is also expanding.

The NHS is a publicly funded healthcare system in the United Kingdom. A collection of publicly funded healthcare systems in the UK make up the NHS. It includes the NHS Scotland, NHS Wales, and Northern Ireland Health and Social Care in addition to the National Health System (England).

ABOUT VENUE

London, the capital city of the United Kingdom, is a vibrant and cosmopolitan metropolis that effortlessly blends history, culture, and modernity. With its rich heritage, iconic landmarks, diverse population, and bustling energy, London stands as one of the world's most influential and captivating cities. Hisory permeates every corner of London, from its ancient Roman roots to its medieval past and the royal legacy of the British monarchy. The city boasts architectural marvels such as the majestic Tower of London, a UNESCO World Heritage Site that has witnessed centuries of history. The grandeur of Buckingham Palace, the residence of the British monarch, and the iconic Big Ben clock tower are also emblematic symbols of London's regal charm. London's cultural tapestry is equally mesmerizing. The city hosts an impressive array of museums and art galleries, including the British Museum, Tate Modern, and the National Gallery. These cultural institutions house an extensive collection of historical artifacts and world-class artworks that showcase the depth and breadth of human creativity throughout the ages.The West End, London's renowned theater district, is a hub of entertainment and creativity. The area is home to numerous theaters, offering a diverse range of theatrical productions, musicals, and live performances that attract both locals and visitors alike. From classic plays to avant-garde productions, the West End remains a thriving center for the performing arts.London's culinary scene is a delightful fusion of flavors from around the world. The city embraces a multicultural identity, reflected in its diverse range of restaurants, street food markets, and gastronomic experiences. From traditional British fare to international cuisines, food enthusiasts can embark on a culinary journey that satisfies every palate.
