The 3rd International Conference on Alternative Medicine & Medicinal Plants was organized during October 18-19, 2021 through Webinar and was a great success.

We sincerely thank all our Organizing Committee Members, Supporting Journals, Media Partners, Keynote Speakers, Speakers, Delegates and all well-wishers for their constant support and participation in the Natural Products 2020 Webinar.

The conference was characterized by the participation of brilliant and accomplished scholars, delegates and talented students from more than 10 nations, who were the catalyst for pushing this event into the success path.

The conference was based on the theme "Exploring Research advances and Ameliorate Perfection in Alternative Medicine". The conference instilled a firm relationship in the Natural Products & Traditional Medicine domain with future innovations. The shared understanding of concept and applicability would also promote corporate partnerships to facilitate research accelerations.

We are very much obliged to all the participants for supporting us to strengthen the research world!

With this note, we would like to heartily invite you to our upcoming "4th International Conference on Alternative Medicine & Medicinal Plants" which will be held during April 18-19, 2022, Hybrid.
Our organizing committee is gearing up for more innovative and explorative sessions to unleash the boundaries of Medicinal Plants 2022.

We would like to organize this conference with your support to gather all our researchers in a single platform and this will be the key of success for our next conference.

We look forward to having your presence with active contribution and support to make this event successful once more.

Once again, it is our pleasure to welcome you to our upcoming Medicinal Plants 2022.
