4TH INTERNATIONAL CONFERENCE ON

ADVANCED DENTISTRY AND DENTAL PRACTICE

NOV 02-04, 2023 | AMSTERDAM, THE NETHERLANDS

https://advancedentistry.cmesociety.com/

INVITATION

ADVANCE DENTISTRY 2023

Good will,

On behalf of Adavance Dentistry 2023, we are glad to welcome you to the “4th International Conference on Advanced Dentistry and Dental Practice on Nov 02-04, 2023 in Amsterdam, The Netherlands”. This gathering of dental professionals is an opportunity to share knowledge and experiences, discuss new innovations, and explore the latest trends in dentistry.

Our conference will feature a diverse range of topics and speakers, providing insights into the latest developments in the field of dentistry. Whether you are a dental practitioner, researcher, or educator, this conference offers a unique opportunity to learn, connect, and network with your peers.

The theme of the global event is “Meet the Future of Dental Research” which will provide an international platform for discussion of present and future challenges in dentistry, oral health, dental education, continuing education, and expertise meetings. World-leading health practitioners, clinicians, educators, and researchers will present cutting-edge and practical clinical techniques based on widely accepted evidence and will introduce new and emerging research.

Regards,
Emma Ellis | Program Manager

MARKET ANALYSIS

Market analysis of global dentistry shows that the industry has been experiencing significant growth in recent years and is expected to continue to grow in the coming years. Factors such as increasing awareness about dental health, rising disposable incomes, and advancements in dental technology have contributed to the growth of the industry.

According to a report by ResearchAndMarkets.com, the global dental market size was valued at $31.1 billion in 2020 and is expected to reach $40.9 billion by 2025, growing at a compound annual growth rate (CAGR) of 5.6% during the forecast period.

The report also highlights that the Asia-Pacific region is expected to witness the highest growth rate in the global dental market due to rising dental tourism, increasing dental care expenditure, and the presence of a large patient pool.

The global dental market can be segmented into various categories such as products, equipment, and services. The products segment includes dental implants, orthodontics, dental biomaterials, dental crowns and bridges, and others. The equipment segment includes dental radiology equipment, dental lasers, dental chairs, and others. The services segment includes dental hospitals and clinics, dental laboratories, and others. In terms of key players in the global dental market, some of the prominent names include Dentsply Sirona, Straumann Group, 3M Company, Danaher Corporation, and Henry Schein, Inc.

ABOUT VENUE

Amsterdam is the capital and largest city of the Netherlands. Located in the western part of the country, it is known for its charming canals, vibrant nightlife, and historical landmarks. Amsterdam has a population of over 800,000 people and is home to a diverse mix of cultures and nationalities.

One of the most iconic features of Amsterdam is its canals. The city has more than 100 kilometers of canals, which were built in the 17th century to help with transportation and trade. Today, the canals are a popular tourist attraction and are even recognized as a UNESCO World Heritage Site. Visitors can take a boat tour to explore the canals and see the city from a different perspective.
