4th International Conference on

Cardiology

November 10 – 11, 2021

Tokyo, Japan

Hosting Organization: ***Pulsus Group***

35 Ruddlesway, Windsor, Berkshire, SL4 5SF, United Kingdom

Tel: +44-203-769-1778

Invitation

PULSUS
WWW.PULSUSCONFERENCE.COM

With the plenty of knowledge and intelligence in Cardiology, presents “4th International conference on Cardiology” for the professionals, specialists and fellow researches out there. The conference is designed in a certain theme that is ‘’ Critical Thinking in Cardiology and Cardiology Researches needs to become a Responsibility ’’.

The organizing committee of Cardiology 2021 whole-heartedly welcomes you all for the 4th International conference on Cardiology. We are looking forward to provide plenty of knowledge within these 2 days events.

The main aim of the Cardiology 2021 Conference is to make an opportunity to present the research works, articles which is technically related to medical diagnosis and physiological aspects of cardiology.

This event will contain Cardiologists, practitioners, Directors, Professors, biomedical engineers, Students from academia and researchers within the sector of Cardiology and Cardiology Research, official and global leaders to make the Cardiology 2021 achieve its success.

This time we will organize several Video Presentations, workshops and symposiums, and Poster presentation Sessions as we’ve introduced recent technologies for the user in more participants. We welcome all the Cardiology and Cardiology Research Professionals, Delegates, Researchers, and Students to form a wonderful presence on November 10 - 11, 2021. Also, this time, our Cardiology 2021 will be focus destination for the International Cardiology Research Societies, Associations, and Organizations. Cardiology 2021 is expecting 200+ Participants to enlighten the program. We are looking forward for the Cardiology 2021 to achieve success event.

Regards
Cardiology 2021
Organizing Committee

Conference Highlights

- Congenital heart defects
- Coronary artery disease
- Heart failure
- Valvular heart disease
- Cardiomyopathy
- Hypertension (high blood pressure)
- cardiac electrophysiology
- Echocardiography
- Interventional cardiology
- Cardio geriatrics
- Ischaemic heart disease
- Hereditary heart disease
- Inflammatory heart disease
- Cardiac rehabilitation
- Pulmonary heart disease
- Cardiac pacemakers
- Cardiac surgery
- Nuclear cardiology
- Cardiovascular bioengineering
- Cardiac nursing
- Bioartificial heart

PULSUS

About PULSUS

PULSUS
WWW.PULSUSCONFERENCE.COM

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifi es the highest standards in research integrity.

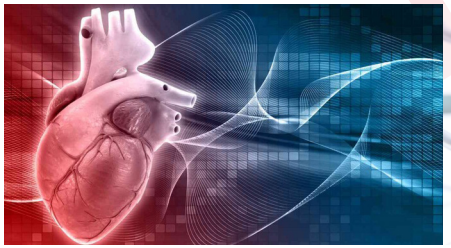

Pulsus Conferences explore the future by connecting minds and spreading brilliance at Pulsus Group annual conferences & meetings. Meet your colleagues, discuss your specialty, spread and aid, learn & grow in association with 1000+ scientifi c societies from The USA, Europe, The Middle East, Africa and The Asia-Pacifi c region. Pulsus group is closely associated with globally renowned academic and research societies.

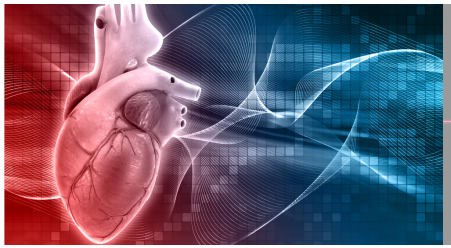

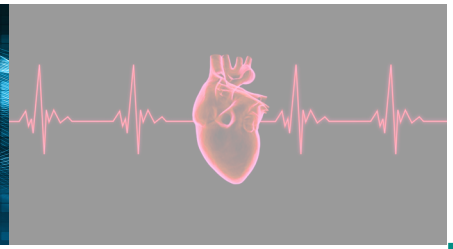

Pulsus Conferences believe that true technology and innovation depends on hearing from, and listening to, people with a variety of perspectives. Pulsus Conferences enhances the technology for people from underrepresented groups by actively recruiting diverse speakers for our events, signing up a broad variety of authors for journals and videos, and taking part in ongoing conversations about the value of diversity in the communities we serve.

Market Analysis

According to World Health Organization, Cardiovascular disease is the main reason behind global death compared to any other causes. Over three quarters of these cardiovascular deaths have occurred in under-developing countries and developing countries. The interventional cardiology market size has been shown. The figures how cardiology plays a major role in the global market and it also tells about the deduction in market size when it weren't noticed much at the time of pandemic (COVID – 19) and it is believed that the market size may increase from early 2022 says world health organization.

Globally, the main cause for death is due to cardiovascular disease says world health organization. The global death rate is shown in the form of graph. The upward push in geriatric population worldwide has ended in an extended incidence of the disorders. Moreover, exchange in eating behaviour, expanded pressure, smoking and alcohol consumption are some of the key elements contributing to this health situations and to rise in chronic diseases including cardiac sicknesses.

New studies additionally monitor that the cardiac devices marketplace is projected to boom from $10.3 billion in 2019 to $14.4 billion by 2024 with a CAGR of 6.8%. In addition, the developing geriatric populace global is fuelling the variety of instances identified with coronary heart issues because of the excessive susceptibility of this populace pool to developing cardiac illnesses. As an end result, the big target population is undoubtedly impacting the increase of the cardiovascular market. Worldwide cardiovascular devices region is exceedingly fragmented with many neighbourhood producers competing with worldwide organizations. For this reason, global players are adopting techniques which include mergers, acquisitions, and collaborations to amplify their product services and consumer base, thereby increasing their market proportion.

Target Audience

- Surgeons
- Cardiologists
- Nurses
- Research college students
- Researchers
- Scientists
- Biomedical engineers
- Professors
- Medical colleges and Universities
- Societies & associations
- Enterprise entrepreneurs
- Software making associations
- Medical devices production corporations

Why to attend?

In contrast to all different conferences, Cardiology 2021 is supposed to construct an expert community a few of the people belonging to identical discipline. It also an awesome treats for the researchers to exhibit their work and to benefit help in shifting further with their charming thoughts by taking part with the universities or main organizations. Clinical graduates are presented with an extremely good opportunity to determine their destiny look at interest via discussing with the experts. The sessions are intended to study new treatment techniques in conjunction with the expertise of managing them in future.

Benefits for Attendees

- Networking Opportunities
- New Tips & Tactics
- Grow Your Professional Network
- B2B meetings
- Expand Your Resource
- Meet Experts & Influence Face to Face
- Accepted Abstracts will be published in the respective supporting journals, each abstract will be labelled with a DOI from Cross Ref,
- Certificates for Presentation from the International Organizing Committee
- Best Poster Awards.
- Best Start-Up Awards.
- New Tips & Tactics

About City and Venue

PULSUS
WWW.PULSUSCONFERENCE.COM

Tokyo officially the Tokyo Metropolis is the de facto capital and most populous prefecture of Japan. Located at the head of Tokyo Bay, the prefecture forms part of the Kantō region on the central Pacific coast of Japan's main island of Honshu. Tokyo is the political and economic center of the country, as well as the seat of the Emperor of Japan and the national government. As of 2021, the prefecture has an estimated population of 13,960,236. The Greater Tokyo Area is the most populous metropolitan area in the world, with more than 37.393 million residents as of 2020.

Tokyo is the largest urban economy in the world by gross domestic product, and is categorized as an Alpha+ city by the Globalization and World Cities Research Network. Part of an industrial region that includes the cities of Yokohama, Kawasaki, and Chiba, Tokyo is Japan's leading center of business and finance. In 2019, it hosted 36 of the Fortune Global 500 companies. In 2020, it ranked fourth on the Global Financial Centres Index, behind New York City, London, and Shanghai. Tokyo has the world's tallest tower Tokyo Skytree and the world's largest underground floodwater diversion facility MAOUDC. The Tokyo Metro Ginza Line is the oldest underground metro line in East Asia (1927)

Sponsorship

PULSUS

Why Sponsor Our Event?

- Maximum exposure at a premier conference devoted to those involved in the office professional industry.
- An opportunity to build and reinforce strategic relationships within the office professional industry.
- Time to network with industry colleagues and key decision makers.
- A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.
- Access to a broad network of industry partners from state and federal Government departments and the private sector.
- Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.
- Increased marketing opportunities including visibility on the conference website and associated marketing materials

Diamond Sponsor: $10000

- Top billing logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Three corporate sponsored workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Four complimentary registrations.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

Gold Sponsor: $7500

- Logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Two corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Three complimentary congress registrations.
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

Silver Sponsor: $5000

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- Two complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

Bronze Sponsor: $3500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
