4TH INTERNATIONAL CONFERENCE ON

STEM CELLS RESEARCH AND THERAPY

SEPTEMBER 24-25, 2025 | PRAGUE, CHEZ REPUBLIC

https://stemcells.cmesociety.com/

INVITATION

STEM CELLS 2025

Dear **Delegates, Speakers, and Guests**,

It is a pleasure to welcome you to the **4th International Conference on Stem Cells Research and Therapy**, taking place on **September 24–25, 2025**, in the vibrant city of **Prague, Czech Republic.**

Theme: Empowering Recovery: Stem Cell Innovations Across Disciplines

This global gathering brings together leading minds from research, medicine, and industry to explore breakthroughs in stem cell science and regenerative medicine. It offers a unique platform for collaboration, knowledge exchange, and innovation.

Set in the cultural heart of Prague, the event blends scientific discovery with rich heritage—an ideal setting to inspire progress and partnerships.

We look forward to your valuable presence at this exciting event.

Warm regards,

Anna Ruby

CONFERENCE HIGHLIGHTS

- Advances in Stem Cell
- Stem Cell Biology & Function
- Regenerative Medicine
- Tissue Engineering
- Embryonic Stem Cells
- Stem Cell Technologies
- Cell-Based Therapy
- Somatic Cell Therapy
- Cancer Cell Science
- Hematopoietic Stem Cells (HSCs)
- Stem Cells in Cardiovascular
- Pulmonary Regeneration
- Stem Cells and Diabetes Therapy
- Immunotherapy & Stem Cells
- Stem Cell Metabolism
- Ethical, Legal & Regulatory Considerations
- Embryonic Stem Cells (ESCs)
- Stem Cells in Cancer Research
- The Future of Regenerative Medicine
- Emerging Stem Cell Technologies
- Organoids and Miniature Tissue Constructs
- Stem Cells and Autoimmune Diseases

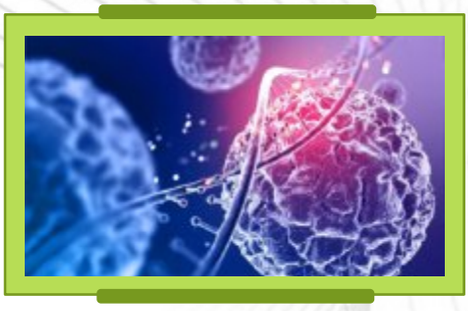

35

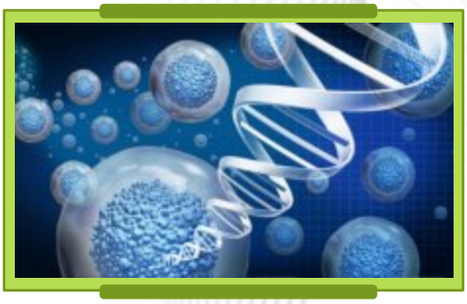

ABOUT US

Since many years Pulsus has also been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collab- orations between universities, institutions, research bodies and organizations from different countries through international conferences and meetings.

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

With a legacy of 30 years of excellence in Medical Publishing we are endorsed by various societies like International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, World Association of Medical Sciences, International Society for Ceramics in Medicine, Thalassaemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

MARKET ANALYSIS

The global stem cell research and therapy market grew from USD 7 billion in 2015 and is projected to exceed USD 25 billion by 2030. Key drivers include advancements in iPSCs, regenerative medicine, and expanding clinical applications. Between 2016–2025, demand surged in neurology, orthopedics, and autoimmune therapies. Rising R&D investments and personalized medicine trends have further fueled growth. AI integration and bioprinting are expected to shape the market's future despite regulatory and cost challenges.

TARGET AUDIENCE

- **Stem Cell Researchers**
- **Clinicians and Medical Practitioners**
- **Regenerative Medicine Experts**
- **Medical Scientists**
- **Biomedical Engineers**
- **Lab Technicians**
- **Early Career Investigators**
- **Hospitals & Research Institutes**
- **Industry Investors**
- **Venture Capitalists**

WHO SHOULD ATTEND

- **Stem Cell Researchers and Scientists**
- **Medical Doctors and Clinicians**
- **Biotechnology and Pharmaceutical Industry Experts**
- **Regenerative Medicine Specialists**
- **Biomedical and Tissue Engineers**
- **Ethicists and Legal Advisors**
- **Scientific Journal Editors and Publishers**
- **Non-profit and Patient Advocacy Groups**
- **Investors, Venture Capitalists, and Startups**
- **Postdoctoral Researchers and Graduate Students**

WHY TO ATTEND

Stem Cells 2025 presents a dynamic program with oral and poster presentations, seminars, and interactive sessions led by renowned experts in stem cell research and regenerative medicine.

The conference highlights the latest breakthroughs in cellular therapy, tissue engineering, and translational medicine, offering practical insights and promoting global collaboration.

With 50+ faculty, 5+ workshops, and 15+ sessions over two days, it's a valuable platform for networking, learning, and advancing innovations in stem cell science.

WHY SPONSOR OUR EVENT?

Maximum exposure at a premier conference devoted to those involved in the office professional industry.

An opportunity to build and reinforce strategic relationships within the office professional industry.

Time to network with industry colleagues and key decision makers.

A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.

Access to a broad network of industry partners from state and federal Government departments and the private sector.

Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.

Increased marketing opportunities including visibility on the conference website and associated marketing materials

DIAMOND SPONSOR $10000

- Top billing logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Three corporate sponsored workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Four complimentary registrations.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

GOLD SPONSOR $7500

- Logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Two corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Three complimentary congress registrations.
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

SILVER SPONSOR $5000

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- Two complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

BRONZE SPONSOR $3500

Larger name recognition (Chamber website, event website, invitation/publicity, event signage)

- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

EXHIBITIO SPONSOR $2500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Half Page A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 25% discount on both Extra Delegate Registrations and Booth

EDITORIAL BOARD MEMBERS

Neil P. Sheth

University of Pennsylvania | USA

Mehmet Tokac

Ataturk Teaching & Research Hospital

Geert Meermans

Bravis Hospital | Netherlands

Sean Christie

Dalhousie University | Canada

ABOUT VENUE

Prague, the capital of the Czech Republic, is one of Europe's most beautiful and historically rich cities. Known for its well-preserved medieval architecture, the city is home to iconic landmarks such as Prague Castle, Charles Bridge, and the Astronomical Clock in the Old Town Square. Often called the "City of a Hundred Spires," Prague captivates visitors with its Gothic cathedrals, Baroque palaces, and vibrant cultural scene. The city seamlessly blends history with modernity, offering charming streets, world-class museums, lively cafes, and a dynamic academic and scientific environment. With its central European location, excellent transportation, and timeless charm, Prague is a favorite destination for tourists, scholars, and international events alike.

Prague is a captivating blend of history, science, and culture, often hailed as the City of Discovery. Home to great minds like Kepler and Einstein, it remains a center for academic and scientific innovation.

Located in the heart of Central Europe, Prague showcases a rich cultural mix—Czech, German, Jewish, Slovak, and Austrian influences shape its identity. With its iconic architecture, vibrant arts, and global atmosphere, Prague offers a timeless and inspiring experience for visitors and scholars alike.

Abstract submission opens: August 05, 2025 | **Registration opens:** August 08, 2025
Early bird registration: August 11, 2025 | **On spot registration:** September 24, 2025
