4TH WORLD CONGRESS ON

ADDICTION MEDICINE AND PSYCHIATRY

OCTOBER 12-14, 2023 | PARIS, FRANCE

https://addiction.cmesociety.com

INVITATION

ADDICTION CONGRESS 2023

Greetings!

We are excited to invite you all to the **4th International Congress on Addiction Medicine and Psychiatry**, which will be place in **Paris, France**, from **October 12–14, 2023**.

Addiction Congress 2023 brings together distinguished academics, scientists, healthcare experts, policymakers, and activists from all around the world to share their knowledge, experiences, and cutting-edge solutions to the issues faced by addiction.

With keynote addresses, plenary sessions, seminars, and poster presentations, the Addiction Congress 2023 will discuss the most recent advancements in addiction research and medicine as well as the most significant issues and innovative approaches to prevention, treatment, and recovery.

Addiction Congress 2023 provides a special chance for networking, teamwork, and cross-learning in addition to the scientific agenda.

Participants will get the chance to network with colleagues from diverse fields and specialties, interact with them, and share ideas and insights that will improve their work and motivate them to pursue new goals.

Let's work together to develop psychiatric and addiction medicine while simultaneously advancing everyone's health, happiness, and social justice.

Regards

Catherine Merlin | Program Manager

ABOUT US

Since many years Pulsus has also been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international conferences and meetings.

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

With a legacy of 30 years of excellence in Medical Publishing we are endorsed by various societies like International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, World Association of Medical Sciences, International Society for Ceramics in Medicine, Thalassaemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

MARKET ANALYSIS

The global addiction treatment market was valued at USD 8.28 billion in 2021 and is expected to grow at a CAGR of 6.4% during the forecast period. The market for addiction treatment was estimated to be worth USD 4.4 billion in 2022 and was projected to expand at a CAGR of 6.5% from 2022 to 2027. The treatment results for addiction medicine and psychiatry addiction treatment can vary depending on several factors, including the severity of the addiction, the individual's unique circumstances, and the treatment approach used. Some of the first addiction treatment clinics in the world were established in France, which has a long history of treating addiction. It has been in the forefront of creating evidence-based methods for treating addiction.
