WHY TO ATTEND

Medical services meetings are significant on the grounds that it is a chance to bring a ton of medical services experts together to share and talk about a point. This has been a staple in medication and is something we do each day in our expert lives-we talk with one another. Updating of information and abilities. Introducing research papers and getting important knowledge into the examination done by other clinical understudies.

ABOUT VENUE

London is the largest city in Europe and is the capital city of England and the United Kingdom. London is one of the most cosmopolitan. The tallest building in London is The Shard London Bridge and it is also the 45th tallest in the world. London is the first city to host the Olympics three times (1908, 1948 and 2012). The river Thames flows through London. Tower Bridge is the most recognisable bridge on the river Thames since 1894 and is often referred to as "London Bridge". London has 43 universities, the largest concentration of higher education in Europe. More than 300 languages are spoken within London.

The London Underground is the oldest underground railway network in the world. The double-decker bus is an icon of London. The Queen's official London residence and has 775 rooms these include 19 State rooms, 52 Royal and guest bedrooms, 188 staff bedrooms, 92 offices and 78 bathrooms. Buckingham Palace gets its name from a man named Duke of Buckingham who built Buckingham House for himself as a grand London home. Big Ben is not actually the name of the clock or the tower. It is the 13-ton bell inside the clock. The tower is known as St Stephens Tower but most people refer to it as Big Ben. The West End is London's main entertainment (theatres) and shopping district. London Medical is located in Marylebone High Street, London which gives world class facilities and an enormous range of scope for Nursing and Health Sciences Education.
