ABOUT VENUE

Dubai is a city and emirate in the United Arab Emirates known for luxury shopping, ultramodern architecture and a lively nightlife scene. Burj Khalifa, an 830m-tall tower, dominates the skyscraper-filled skyline. At its foot lies Dubai Fountain, with jets and lights choreographed to music. Dubai is a contradiction: sparkling skyscrapers, among the highest in the world, and immediately behind the endless and silent desert, ideal for a sunset dinner. January is a pleasant time to visit Dubai with the winter sun peeking in and the cool evenings. To begin your year on a high note, the Dubai Shopping Festival (DSF) takes place during the entire month of January. This city of skyscrapers and malls has evolved from a desert outpost into a popular vacation spot, drawing visitors in search of great deals, warm weather, and family-friendly activities. Dubai is renowned for its modern tourist destinations, like the Burj Khalifa, the tallest structure in the world, and shopping centres that feature enormous aquariums and indoor ski slopes. But in addition to all the glitzy modern extras, this city boasts a lot of cultural attractions and things to do. Skyscrapers, ports, and beaches are all present in the city of Dubai, where huge commerce coexists with sun-seeking holidaymakers. It has a significant expatriate population and the environment is generally tolerant, giving the impression of being in the Middle East.
