53RD GLOBAL CONGRESS ON

NURSING CARE AND RESEARCH

NOVEMBER 02-26, 2024| PARIS, FRANCE

https://nursingcare.cmesociety.com/

INVITATION

Dear Esteemed Participants,

We are delighted to extend a warm welcome to all distinguished speakers, researchers, healthcare professionals, academicians, and industry experts joining us for the Nursing Care Conference 2026, taking place in the beautiful city of Paris, France.

This conference marks an important opportunity in our shared commitment to advancing nursing practice, improving patient outcomes, and strengthening healthcare systems worldwide. Over the course of the event, we will come together with leading professionals from around the globe, united in our mission to enhance excellence, innovation, and compassion in nursing care.

Paris, renowned for its unique blend of history, culture, and innovation, provides the perfect setting for this prestigious gathering. Surrounded by iconic landmarks, inspiring architecture, and rich cultural heritage, attendees will have the opportunity to engage in meaningful discussions, share groundbreaking research, and build valuable collaborations that will shape the future of nursing and healthcare.

Once again, welcome to the Nursing Care Conference 2026. We hope your experience will be insightful, rewarding, and truly unforgettable.

Regards
Ophelia Robert |Nursing Care 2026

ABOUT US

Since many years Pulsus has also been very instrumental to provide an invaluable channel for Scientists and Researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between Universities, Institutions, research bodies and Organizations from different countries through International Conferences and Meetings.

Pulsus Group is an International Renowned Medical peer-review publisher and conference organizer established in the year 1984 publishes and hosts the work of Researchers in a manner that exemplifies the highest standards in research integrity.

With a legacy of more than 35 years of excellence in Medical Publishing we are endorsed by various societies like World Association of Medical Sciences, International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, International Society for Ceramics in Medicine, Thalassemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

MARKET ANALYSIS

Analysis and Aspects of Nursing Care 2026 Conference

The global nursing care sector is experiencing significant growth, driven by increasing healthcare demands, aging populations, rising chronic diseases, and the growing need for skilled nursing professionals. Expanding hospitals, home healthcare services, rehabilitation centers, and digital health technologies are creating new opportunities across the industry. Regions such as North America and Europe continue to lead in healthcare advancements, while Asia-Pacific is emerging as a rapidly growing market due to rising investments and healthcare awareness. The Nursing Care Conference 2026 provides a valuable platform to explore these trends, innovations, and future opportunities shaping the nursing profession worldwide.

Attending the conference offers numerous benefits for nurses, researchers, clinicians, and healthcare experts. Participants can gain insights into the latest advancements in patient care, present research through oral and poster sessions, attend keynote speeches, workshops, and seminars, and connect with global leaders in nursing and healthcare. The event also creates opportunities for networking, professional development, collaborations, career growth, and discovering innovative solutions that will enhance nursing practice and improve patient outcomes.
