It is our pleasure to welcome you to the "**5th Global Congress on Nanomaterials conference**" on **April 22-23, 2022** in **Tokyo, Japan**. In addition to presenting research and articles relating aspects of material science and nanotechnology, the convention provides an occasion to meet extremely enthusiastic people from all over the world.

This conference will deliver new ideas, convictions, strategies and tactics where no conference will offer an impressive roaster of Keynote speakers, quality attendees, and compelling content. The various thematic sessions will be discussed at this conference; we welcome all of you to attend the conference.

This is an excellent opportunity for the delegates from fields of healthcare to interact with the world class Scientists. The interested participants can confirm their participation by registering for the Nanomaterials 2022 along with your colleagues. This Conference will provide an excellent platform for the exchange of ideas on nanotechnology research and authoritative views by leading scientists in healthcare as well as business leaders and investors in this exciting field.

Once again, we feel satisfied to have all your quality and your creative research works. The calculated and relevant learning shared, will likewise cultivate authoritative coordinated efforts to sustain logical scientific accelerations. We guarantee you would have an incredible involvement with and affection.

Regards
Nanomaterials 2022
Organizing Committee

## Conference Highlights

- Nanotechnology and its applications
- Materials and manufactures in nanotechnology
- Nanotechnology for renewable energy
- Nanotechnology in drug delivery
- Nanotechnology in tissue engineering
- Nanotechnology in bioinformatics
- Nanotechnology regulations
- Risks for health and environment
- Future prospects for nanotechnology
- Ethics of Nano science and nanotechnology

# About PULSUS

PULSUS
WWW.PULSUSCONFERENCE.COM

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

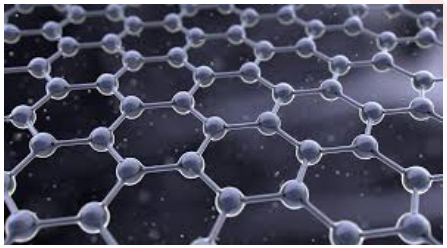

Pulsus Conferences explore the future by connecting minds and spreading brilliance at Pulsus Group annual conferences & meetings. Meet your colleagues, discuss your specialty, spread and aid, learn & grow in association with 1000+ scientific societies from The USA, Europe, The Middle East, Africa and The Asia-Pacific region. Pulsus group is closely associated with globally renowned academic and research societies.

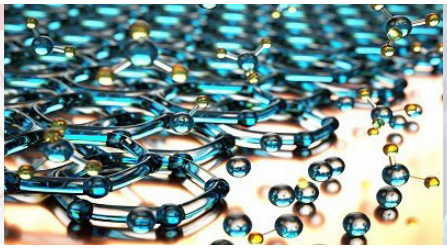

Pulsus Conferences believe that true technology and innovation depends on hearing from, and listening to, people with a variety of perspectives. Pulsus Conferences enhances the technology for people from underrepresented groups by actively recruiting diverse speakers for our events, signing up a broad variety of authors for journals and videos, and taking part in ongoing conversations about the value of diversity in the communities we serve.

# Market Analysis

PULSUS
WWW.PULSUSCONFERENCE.COM

The global Nanotechnology market was valued at $1,055.1 million in 2018 and is expected to reach $2,231.4 million by 2025, expanding at a 10.5 percent CAGR from 2019 to 2025. Nanomaterial's and nanotechnology are the study of nanoparticles and devices that have applications in a variety of scientific disciplines such as chemical, bio-medical, mechanical, and material science, among others.

According to the United States National Nanotechnology Initiative, there are around 20,000 researchers engaged in the subject of nanotechnology. The Institute of Occupational Medicine estimates that roughly 2,000 individuals are working in emerging nanotechnology firms and institutions in the United Kingdom, where they may be exposed to nanoparticles at a rate of 20.1 percent. The amines market is believed to be worth billions of dollars

## Target Audience

- Nanomaterials and Nanoscience Students
- Nanotechnology Universities
- Nanotechnology Development Societies
- Research faculty
- Academic Scientists
- Students, Laboratory professionals
- Business Entrepreneurs
- Industry professionals
- Directors/Managers/CEO's
- Presidents & Vice Presidents of Societies and Institutes
- Brand Manufacturers/ Marketers of Consumer Products
- Marketing, Advertising and Promotion Agency Executives

## Who should attend?

- Nanotechnology Students, Scientists and professors
- Health Care Researchers
- Nanotechnology Faculty
- Nanotechnology Colleges
- Healthcare Associations and Societies
- Business Entrepreneurs
- Training Institutes
- Nanotechnology Companies

# About City and Venue

PULSUS
WWW.PULSUSCONFERENCE.COM

Tokyo is the capital city of Japan and one of its 47 prefectures. The Greater Tokyo Area is the most populous metropolitan area in the world. It is the seat of the Emperor of Japan and the Japanese government. Tokyo is in the Kantō region on the southeastern side of the main island Honshu and includes the Izu Islands and Ogasawara Islands. Formerly known as Edo, it has been the de facto seat of government since 1603 when Shōgun Tokugawa Ieyasu made the city his headquarters. It officially became the capital after Emperor Meiji moved his seat to the city from the old capital of Kyoto in 1868; at that time Edo was renamed Tokyo. Tokyo Metropolis was formed in 1943 from the merger of the former Tokyo Prefecture and the city of Tokyo. Tokyo is often referred to as a city, but is officially known and governed as a “metropolitan prefecture”, which differs from and combines elements of a city and a prefecture, a characteristic unique to Tokyo. The Tokyo Metropolitan Government administers the 23 Special Wards of Tokyo (each governed as an individual city), which cover the area that was the city of Tokyo before it merged and became the metropolitan prefecture in 1943, the 30 municipalities in the western part of the prefecture, and the two outlying island chains.

# Sponsorship

## Why Sponsor Our Event?

- Maximum exposure at a premier conference devoted to those involved in the office professional industry.
- An opportunity to build and reinforce strategic relationships within the office professional industry.
- Time to network with industry colleagues and key decision makers.
- A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.
- Access to a broad network of industry partners from state and federal Government departments and the private sector.
- Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.
- Increased marketing opportunities including visibility on the conference website and associated marketing materials

## Diamond Sponsor: $10000

- Top billing logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Three corporate sponsored workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Four complimentary registrations.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

## Gold Sponsor: $7500

- Logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Two corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Three complimentary congress registrations.
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

## Silver Sponsor: $5000

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- Two complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

## Bronze Sponsor: $3500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
