5th World Congress on

Anesthesia and Pain Medicine

December 15-16,2025 | Rome,Italy

INVITATION

Anesthesia 2025

We warmly invite you to be part of this exciting international event in Rome. The **5thWorld Congress on Anesthesia and Pain Medicine** will be held on **December 15-16, 2025** and brings together surgeons, anesthesiologists, and healthcare professionals from around the world to share ideas, learn new techniques, and work together to improve patientcare.

Under the theme "**Global Perspectives in Anesthesia and Pain Relief: Shaping Safer, Smarter Care,"**the congress focuses on learning, innovation, and collaboration. You can expect expert talks with real cases and open discussions, live demonstrations of the latest tools and surgical methods, and opportunities to meet and collaborate with others on meaningful projects. This congress is your chance to grow, share, and connect. Whether you're a speaker, learner, or innovator—you're welcome here.

Let's meet in Paris to move surgical care forward—together. We look forward to welcoming you!

Regards,

Organizing committee

MARKET ANALYSIS

The global anesthesia and pain management market is projected to reach USD 12.8 billion by 2028, growing at a CAGR of 7.5%. Increasing prevalence of chronic pain, rising surgical procedures, and growing adoption of minimally invasive anesthesia techniques are driving market growth. Technological advancements in anesthesia delivery systems, monitoring devices, and pain management therapeutics are expected to further fuel demand. Regionally, the North American market is anticipated to grow at a CAGR of 8.2% from 2022 to 2027, reaching USD 4.2 billion, driven by high awareness and advanced healthcare infrastructure. The European market is projected to expand at a CAGR of 7.8%, reaching USD 3.5 billion by 2027. In the Asia-Pacific region, rising healthcare expenditure, increasing surgical procedures, and improved access to modern anesthesia technologies are expected to drive a CAGR of 10.1%, reaching USD 3.1 billion. Latin America and the Middle East & Africa markets are also expected to witness steady growth, supported by improving healthcare facilities and growing awareness of pain management therapies.

ABOUT VENUE

Rome, the capital of Italy, is a city steeped in history, culture, and timeless charm. Known as the "Eternal City," Rome offers a rich tapestry of ancient ruins, Renaissance art, and Baroque architecture. From the majestic Colosseum and the Roman Forum to the awe-inspiring Pantheon, every corner of the city echoes the grandeur of its imperial past. These ancient landmarks not only showcase Roman engineering marvels but also serve as a window into the empire that once ruled much of the known world.

Beyond its historical treasures, Rome captivates visitors with its vibrant street life, romantic piazzas, and exquisite cuisine. The city's heart beats in neighborhoods like Trastevere, where cobblestone alleys lead to charming cafes, bustling markets, and authentic trattorias. Whether savoring a creamy gelato on the Spanish Steps or tossing a coin into the Trevi Fountain for good luck, the Roman experience is filled with unforgettable moments that blend modern-day vitality with age-old traditions.

Rome is also home to the Vatican City, the spiritual center for millions of Catholics worldwide. Within its walls lies St. Peter's Basilica, the Sistine Chapel with Michelangelo's famous ceiling, and countless artistic masterpieces that make it a cultural and religious epicenter. As a city that effortlessly merges the sacred with the secular, Rome invites travelers not only to witness its beauty but to immerse themselves in a living museum of human achievement and inspiration.
