ABOUT US

Since many years Pulsus has also been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international conferences and meetings.

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

With a legacy of 30 years of excellence in Medical Publishing we are endorsed by various societies like International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, World Association of Medical Sciences, International Society for Ceramics in Medicine, Thalassaemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

MARKET ANALYSIS

The estimated size of the worldwide veterinary medicine market in 2021 was USD 29.4 billion, and from 2022 to 2030, it is anticipated to expand at a compound annual growth rate (CAGR) of 7.3%. The increase in zoonotic and chronic sickness incidence is the main factor driving this market. Over the past few decades, the world's animal health population has likewise been expanding quickly. In July 2020, there were around 103 million cattle and 32.05 million beef cows in the United States, according to the USDA, and this number is anticipated to increase significantly over the next few years.

Region-wise

The United States of America market for Veterinary healthcare Services is believed to increase from 20.17 million USD in 2022 to 27.16 million USD in 2030, at a visibly recorded CAGR of 10% during the mentioned period. The China market for Veterinary healthcare Services is believed to increase from 12.01 million USD in 2022 to 15.16 million USD in 2030, at a visibly recorded CAGR of 5.7% during the mentioned period. The Europe market for Veterinary healthcare Services is believed to increase from 27.03 million USD in 2022 to 30.27 million USD in 2030, at a visibly recorded CAGR of 4% during the mentioned period.Top companies in Veterinary Market are as follows

Zoetis

Merck Animal Health

Elanco

Norbrook Laboratories

Vetoquinol S.A.

Chanelle Pharma Group

Boehringer Ingelheim

Dechra Pharmaceuticals plc

Ceva

Bayer AG

TARGET AUDIENCE

- Large animal veterinary professionals
- Small animal Veterinary professionals
- Veterinary Business owners or large animal owners
- Veterinary Doctors
- Veterinary Nurses
- Veterinary professionals
- Veterinarians
- Veterinary Pharmacists
- Veterinary Professors
- Veterinary PhD pursuing students

ABOUT VENUE

Amsterdam is the Netherlands' capital, recognized for its creative heritage, problematic canal device, and slim homes with gabled facades, legacies of the town's 17th-century Golden Age. Its Museum District homes the Van Gogh Museum works via way of means of Rembrandt and Vermeer at the Rijksmuseum, and contemporary-day artwork on the Stedelijk.

The Amsterdam Stock Exchange is taken into consideration as the oldest "contemporary-day" securities marketplace inventory alternate withinside the international. As the economic capital of the Netherlands and one of the pinnacle monetary centers in Europe, Amsterdam is taken into consideration as an alpha international town via way of means of the Globalization and World Cities (GaWC) observation group.

Amsterdam is one of the maximum famous traveller locations in Europe, receiving extra than 5.34 million global site visitors annually, that is apart from the sixteen million day-trippers traveling the town each year. The quantity of site visitors has been developing regularly during the last decade. This may be attributed to increasingly more European site visitors. Two-thirds of the lodges are positioned withinside the town's center. The Rijksmuseum, Van Gogh Museum, Anne Frank House, Jordaan Neighborhood, and the Royal Palace of Amsterdam are handiest few of the important thing insights that come to thoughts when we think about the Netherlands
