6th INTERNATIONAL CONFERENCE ON

NANOTECHNOLOGY AND NANOMEDICINE

JUNE 28-30, 2023 | LONDON, UK

https://nanotechnology.pulsusconference.com/

INVITAITON

NANOTECHNOLOGY CONFERENCE 2023

Greetings!!!

It is a great pleasure and honor to invite everybody to participate in **"6th International Conference on Nanotechnology and Nanomedicine"** which is going to be held on "**JUNE 28,30-2023**" on **LONDON,UK**.

Nanotechnology Conference 2023 conference brings scientists, researchers, doctors and, industries, top universities, and educational centers from all over the world to make this event unforgettable in a great way and also this year we came up with the new theme "Nanotechnology Conference 2023".We welcome you to join us and be a part of our knowledge and respect to our conference. Nanotechnology Conference 2023 going to be a three days conference that offers the chance to attend a fantastic keynote presentation conducted by the top speakers with the addition of superb workshops and symposiums by business people. It is a best top opportunity for the employees of the universities and also other organization to team up with foreign scholars, as well as for business candidates looking to expand their career in the global market .

It's a great aspect of gathering many researchers and industry people to be part of the discussion and presentation by top experts. Young researchers will deserve better opportunities to explore their ideas by attending the conference. Take this is the best opportunity to build your career in future.Make a note in your calendar to participate with the speakers..

I add my advance best wishes to entire team for a successful conference and thanks to speakers. Keep in touch with us till entire conference.....

We are looking forward to welcoming you to LONDON,UK.

Best Regards
Organizing committee

CONFERENCE HIGHLIGHTS

-
- Nanotechnology and Nanomedicine
- Nanomaterials
- Biomaterials
- Nanotechnology in Food and Agriculture
- Nanotechnology in Tissue Engineering
- Green Nanotechnology and Water Treatment
- Nanotechnology
- Nanophysics
- Nanomedicine
- Nanomaterials Science and Metrology
- Nanobiotechnology
- Polymer Science and Technology
- Carbon Nanotubes and Biomolecules
- Nanotoxicology
- Nanomedicine in Cancer Therapeutics
- Nanodrug Delivery
- Nanometrices for Cell Culture
- Medical Nanomaterials and Nanodevices
- Nanotechnology and Surgery
- Medical Nanorobotics
- Nanoparticle Based Drug Delivery

ABOUT US

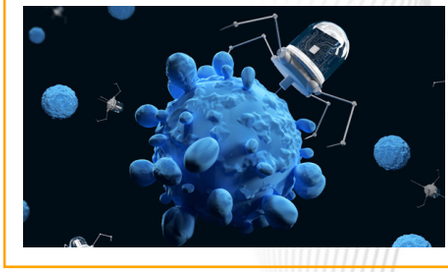

Pulsus Group is an internationally renowned peer-review publisher in scientific, technical, and medical journals established in the year 1984 with offices in Ontario, Canada and Hyderabad, India has acquired Andrew John Publishing and openaccessjournals.com to expand its Open Access Publishing through its 50+ journals in association with 20+ International medical and scientific societies.

Pulsus through its cmesociety.com is been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international CME/CPD accredited conferences and meetings.

Pulsus Group is a Medical publisher that adheres to stringent peer-review procedure with a view to set an example in promoting standard medical research with integrity. Pulsus Group takes pride in getting the endorsements of prestigious associations and societies like Canadian medical societies. As an ardent supporter of medical publishing, Pulsus Group closely associates with the Canadian and other international medical research associations. It publishes a wide range of medical journals that focus on medical specialties like cardiology, Integrative Medicine, Surgery and Reproductive Medicine.Pulsus group is closely associated with globally renowned academic and research societies like Canadian Society of Plastic Surgeons, Canadian Society for Aesthetic Plastic Surgery, Groupe pour l'Avancementde la Microchirurgie Canada, Canadian Society for Surgery of the Hand.

MARKET ANALYSIS

Nanomedicine carries a significant impact, and serves as a revolutionary and beneficial technology across various industrial domains, including communication, medicine, transportation, agriculture, energy, materials & manufacturing, consumer products, and households.

Nanotechnology Conferences 2023 market encompasses the production and application of physical, chemical, and biological systems and devices at scales ranging from individual atoms or molecules to around 100 nanometres.

Nanoscience and Nanotechnology Conferences 2023 involve the study of nanoparticles and devices, which find their application across all the science fields such as chemical, biomedical, mechanics, and material science among others.

TARGET AUDIENCE

- Nano Science and Nano Technology Researchers
- Nano Science and Nano Technology Faculty
- Nano Science and Nano Technology Associations and Societies
- Business Entrepreneurs
- Training Institutes
- Nano Science and Nano Technology Investors
- Exhibitors and Sponsor

WHO SHOULD ATTEND

- Nanoscience and NanotechnologyResearchers
- Nanoscience and NanotechnologySpecialists
- Nanoscience and Nanotechnology
- Scientists &Professors
- Delegates & Researchers & Scholars
- MaterialsEngineers
- Materials ScienceSocieties
- Materials ScienceAssociations
- Health care professionals
- Medical DevicesManufacturing Companies
- Nanotechnologyfirms
- Polymer Companies
- Young Research Scholars
- Advanced materials and technology Engineers
- Nanotechnology Companies
- Nanotechnology Associations

WHY TO ATTEND

All eminent delegates at this conference have the chance to learn about latest developments in nanotechnology and nanomedicine, as well as to share their research with a global audience and present their work at an international conference on life science. The Nanotechnology Conference 2023 offers a great chance to network with specialists in the area by offering competition spaces. The conference offers delegates the chance to speak with recognised international authorities who are knowledgeable about the most recent developments in nanotechnology. International keynote speakers, plenary talks, a young researchers forum, poster presentations, technical workshops, and career counselling sessions will all be included in the nanotechnology 2023 conference

WHY SPONSOR OUR EVENT?

Maximum exposure at a premier conference devoted to those involved in the office professional industry.
An opportunity to build and reinforce strategic relationships within the office professional industry.
Time to network with industry colleagues and key decision makers.
A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.
Access to a broad network of industry partners from state and federal Government departments and the private sector.
Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.
Increased marketing opportunities including visibility on the conference website and associated marketing materials

DIAMOND SPONSOR $10000

- Top billing logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Three corporate sponsored workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Four complimentary registrations.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

GOLD SPONSOR $7500

- Logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Two corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Three complimentary congress registrations.
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

SILVER SPONSOR $5000

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- Two complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

BRONZE SPONSOR
$3500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

EXHIBITION SPONSOR
$2500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Half Page A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 25% discount on both Extra Delegate Registrations and Booth

ABOUT VENUE

The area now known as Tokyo began around the city of Edo, which established itself as a centre of commerce, art and high culture in Japan during the 17th and 18th centuries, known as the Edo period. It was renamed Tokyo and became the capital of Japan in 1869. During the late 19th century Japan underwent rapid modernisation and cultural change, including the building of roads, railways and telecommunications lines. The city today is one where innovation meets tradition. Tokyo is known for its historic shrines and temples, and performing arts such as Noh, Kabuki and Rakugo, which have been enjoyed for centuries. Major venues which celebrate Japanese cultural traditions include the Kabukiza Theatre, the National Noh Theatre and the Kokugikan Hall. It is also renowned for new trends in fashion, music, art, technology and animation, and as a cultural centre for creators in Japan and beyond.
