6TH WORLD CONGRESS ON NANOSCIENCE

AUGUST 25-26, 2022 | WEBINAR

https://nanoscience.pulsusconference.com/

INVITATION

NANOSCIENCE 2022

The conference brings in with some of the most revolutionary and provocative research findings from around the world, catalyzing data exchange, sharing observations, addressing further collaborations, and connectivity among analysts and business innovators from various backgrounds in order to gain a better understanding of nanotechnology and how it can be applied to all fields of science and everyday life. “6th World Congress on Nanoscience” Webinar on the theme of “Era of modern spectrum prospects in Nanoscience”, which implies that Nanoscience 2022 will be a venue for exploring the advances in the field of Nanotechnology. In this gathering, the major advances in techniques, materials and procedural changes related to nanomaterials will be discussed and outcomes of the procedures are to be shared. By aggressively hiring varied presenters for our nanoscience conferences, registering a varied range of authors for publications and films, and participating in continuing dialogues about the significance of diversity in the communities we serve, Conferences improves technology for individuals from underrepresented groups. The presence of world-renowned presenters, young academics, industry professionals, and bright student communities is the conference’s defining feature. In the realm of Nanoscience, this promotes international collaboration and information sharing. Nanoscience 2022 includes Keynote speeches, plenary speakers, and Oral and Poster presentations. The interested professionals can confirm their participation by registering in Nanoscience 2022. Register soon and avail Exciting Early bird discounts.

Regards
Nancy Wheeler | Nanoscience 2022
Organizing Committee

CONFERENCE HIGHLIGHTS

- Nanoscience
- Nanomaterials and Nanotechnology
- Nanomedicines
- Nanoelectronics and Nanophotonics
- Nano-Robotics
- Nanobiotechnology
- Nanosensor
- Nanofluids
- Metallurgy
- Nanoscience and crystal Engineering
- Nanoscience on polymers
- Application of Nanoscience
- Nanotoxicology Risk and safety Management

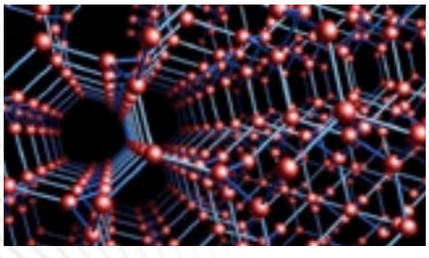

35

ABOUT US

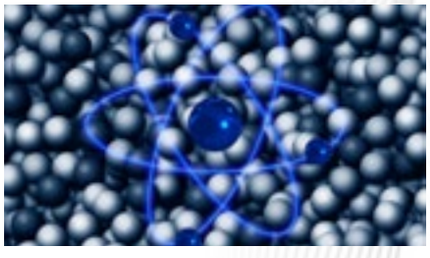

For many years, Pulsus has also been very instrumental in providing an invaluable channel for scientists, researchers to exchange ideas and research by creating a forum for discussing the possibilities of Future collaborations between universities, institutions, research bodies, and organizations from different countries through international conferences and meetings.

Pulsus Group is an internationally renowned medical peer-review publisher and conference organizer, established in 1984. published and hosts the work of researchers in a manner that exemplifies the highest standards in terms of research integrity.

With a legacy of 30 years of excellence in medical publishing, we are endorsed by various societies like the International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology, World Federation of Paediatric Intensive and Critical Care Societies, World Federation of Paediatric Association of Medical Sciences, International Society for Ceramics in Medicine, and Thalassaemia International to nurture research and development for the World Federation and World Association of Integrated Medicine to nurture the welfare of society.

MARKET ANALYSIS

Nanoscience has provided the greatest motivation to technological and industrial advancement in the twenty-first century, and it is expected to have a massive effect on several sectors of the global economy, including nanomaterials, nanotools, and nanotechnologies, as evidenced by double-digit productivity growth. And it's been identified as a resource for the coming industrialization. Nanoparticle products are now available in the retail market, which has had a significant impact on the industrial economy.

TARGET AUDIENCE

- Nanoscience Researchers
- Nanoscience Specialist
- Nanoscience Engineers
- Scientist
- Professors
- Scholars
- Materials ScienceSocieties
- Materials ScienceAssociations

WHO SHOULD ATTEND

- Scientist
- Professors
- Scholars
- Materials ScienceSocieties
- Materials ScienceAssociations
- Professionals in the medical field
- Manufacturing Businesses
- Delegates from Nanomaterials Firms
- Polymer Firms
- Young Scholars in Research
- Companies that deal with nanomaterials
- Associations for Nanomaterial

WHY TO ATTEND

Nanoscience anticipates a large number of participants, including worldwide feature talks and oral introductions by well-known speakers, banner introductions by understudies, exhibitions, and delegates from all over the world, all of whom will help to create a stage for global advancement and compelling improvement in this field. It provides worldwide system administration as well as the ability for collaborative work with other organizations and initiatives.

WHY SPONSOR OUR EVENT?

Maximum exposure at a premier conference devoted to those involved in the office professional industry.

An opportunity to build and reinforce strategic relationships within the office professional industry.

Time to network with industry colleagues and key decision makers.

A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.

Access to a broad network of industry partners from state and federal Government departments and the private sector.

Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.

Increased marketing opportunities including visibility on the conference website and associated marketing materials

DIAMOND SPONSOR
$10000

- Top billing logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Three corporate sponsored workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Four complimentary registrations.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

GOLD SPONSOR
$7500

- Logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Two corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Three complimentary congress registrations.
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

SILVER SPONSOR
$5000

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- Two complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

BRONZE SPONSOR
$3500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

EXHIBITION SPONSOR
$2500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Half Page A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 25% discount on both Extra Delegate Registrations and Booth

EDITORIAL BOARD MEMBERS

Cuong Tu Ho
Institute of Environmental Technology Vietnam

Brunello Tirozzi
University of Rome Italy

Raman Singh
Monash University, Australia Australia

Waqar Ahmed
Malaysia Japan International Institute of Technology (MJIIT), Kuala Lumpur, Malaysia

Osman Adiguzel
Firat University, Turkey Turkey

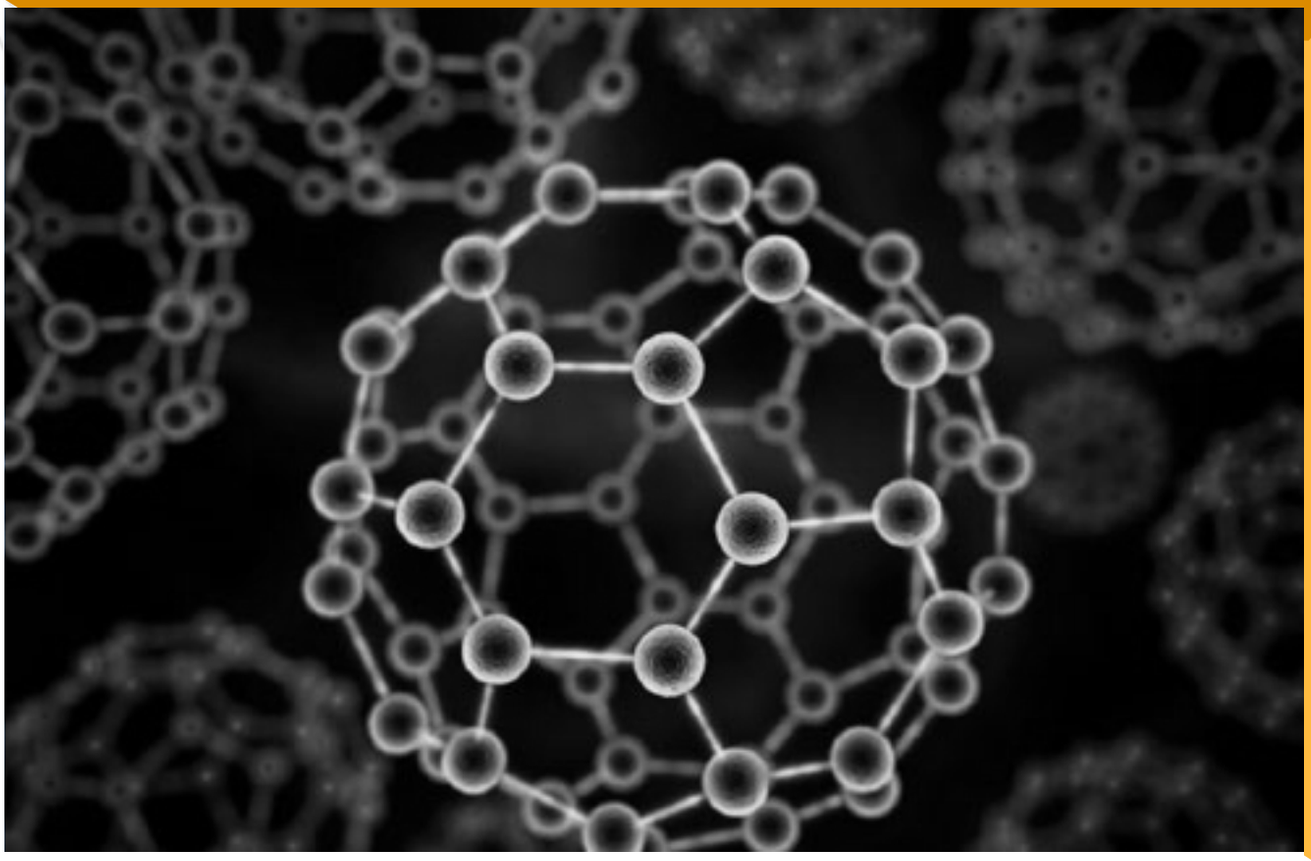

Thamer Adnan Abdullah
University of Pannonia, Hungary

Alnazaa Alhamad Ali
Aleppo University, Syria

SUPORTING JOURNALS

Selected contributions will be published in following supporting international Journals:

Journals of Biomolecules and Biochemistry
https://www.pulsus.com/journal-nanoscience-nanomedicine.html
Journals of Materials Engineering and Applications
https://www.pulsus.com/journal-material-science-engineering-applications.html

Abstract submission opens: June 20, 2022 | **Registration opens:** June 20, 2022
Early bird registration: June 30, 2022 | **On spot registration:** August 15, 2022
