7th INTERNATIONAL CONFERENCE ON

NANOMEDICINE AND NANOTECHNOLOGY

MARCH 20-22, 2023 | PARIS, FRANCE

https://nanomedicine-nanotechnology.pulsusconference.com/

INVITATION

NANOMEDICINE 2023

PULSUS brings in a new spin on conferences by presenting the latest scientific improvements in your field. Listen to motivating keynotes from thought leaders or rub elbows with pioneers across the globe. Paris is all set for an amazing event as PULSUS proudly presents the "**7th International Conference on Nanomedicine and Nanotechnology**" scheduled to be held on **March 20-22, 2023** at **Paris, France**.

PULSUS cordially welcome researchers, academicians, students and business professionals in the field of Nanomedicine from around the world to participate in the upcoming Nanomedicine 2023. The meeting for this year will revolve around the theme **"Interrogation of Nanomedicine and Nanotechnology for Greater Prospective"** thus relaying the most cutting-edge findings in the field of Nanomedicine. The three-day meeting is going to be an event to look forward to for its enlightening symposiums & workshops from established experts of the field, exceptional keynote sessions directed by the best in the business. It will also prove to be a brilliant open door for the representatives from Universities and Institutes to cooperate with the world class researchers and an outstanding opportunity for businesses keen at expanding their global market reach. Interested individuals can confirm their participation by registering for the conference along with their colleagues. Register soon and avail exciting early bird discounts.

Organizing Committee

CONFERENCE HIGHLIGHTS

- Nanomedicine in Cancer Therapeutics
- Nanodrug Delivery
- Nanoparticle Based Drug Delivery
- Nanomaterials and Nanoparticles
- Pharmaceutical Nanotechnology
- Nanorobotics and Nanomedicine
- Advanced Nanomaterials
- Polymer Nanoparticles for Nanomedicines
- Nanotherapeutics and Diagnosis
- Future Concepts in Nanomedicine
- Impact of Nanomedicine on Health Care
- Computational studies in Nanoparticles
- Research and Development in Nanomedicine
- Design and Characterization of Nano drug systems
- Smart Drug Delivery Technology
- Nano metrices for Cell Culture
- The evolution of Nanomedicine with the Re-evolution of Nanotechnology
- Nanotech: In other fields
- Nanotechnology Applications
- Nanocharacterization and Nanomanufacturing
- Nano Engineering

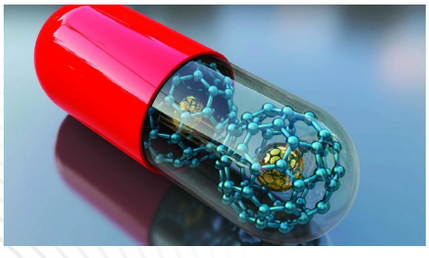

35
Years Excellence

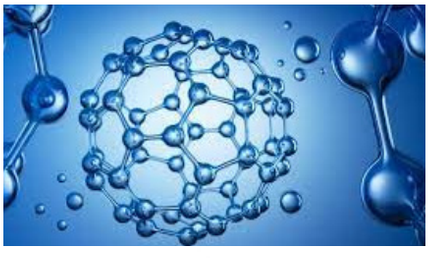

ABOUT US

Since many years Pulsus has also been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international conferences and meetings.

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

With a legacy of 30 years of excellence in Medical Publishing we are endorsed by various societies like International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, World Association of Medical Sciences, International Society for Ceramics in Medicine, Thalassaemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

MARKET ANALYSIS

During the forecast period from 2021 to 2028, the nanomedicine market is projected to grow by 12.7%. The Data Bridge Market Research Report on the Nanomedicine Market offers analysis and insights into various factors that are expected to prevail during the forecast period and their impact on the growth of the market. Further development of nanotechnology for diagnostic procedures is driving the nanomedicine market.

North America dominates the nanomedicine market due to growing partnerships between companies operating in the region and nanomedicine start-up organizations. Additionally, increasing government support and R&D spending are expected to propel the nanomedicine market in the region throughout the forecast period. Due to increasing research grants, the Asia-Pacific region is expected to see significant growth in the nanomedicine market. Moreover, increasing venture capital investors from developing countries are expected to drive the growth of the nanomedicine market in the region in the coming years

TARGET AUDIENCE

- Scholars from Pharmaceutical backgrounds
- Medical Devices Manufacturing Companies, CRO
- Distributors and Suppliers of Drug Delivery Technologies
- Associations and Societies
- Business Entrepreneurs
- Training Institutes
- Global Nano Science and Nano Technology Companies
- Nano Science and Nano Technology Investors

WHO SHOULD ATTEND

- Researchers and Faculty members
- Students and Research scholars
- Business Delegates
- Medical college and Universities
- Nanomedicine Faculty
- Nanotechnology Researchers
- Nannoscience and Nanotechnology Faculty
- Nanomedicine Companies
- Medical Devices Companies

WHY TO ATTEND

Meet experts and influencers in Nanomedicine 2023. The goal of the conference is to discuss, disseminate and preserve knowledge in Nanomedicine.It gives innovators the opportunity to bridge the gap between development and adoption. At this three-day event, you can give presentations, disseminate information, meet current and potential scientists, gain attention with new discoveries in Nanotechnology and gain fame . Participants will have direct access to a select group of experts and decision makers.

WHY SPONSOR OUR EVENT?

Maximum exposure at a premier conference devoted to those involved in the office professional industry.

An opportunity to build and reinforce strategic relationships within the office professional industry.

Time to network with industry colleagues and key decision makers.

A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.

Access to a broad network of industry partners from state and federal Government departments and the private sector.

Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.

Increased marketing opportunities including visibility on the conference website and associated marketing materials

DIAMOND SPONSOR $10000

- Top billing logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Three corporate sponsored workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Four complimentary registrations.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

GOLD SPONSOR $7500

- Logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Two corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Three complimentary congress registrations.
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

SILVER SPONSOR $5000

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- Two complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

BRONZE SPONSOR
$3500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

EXHIBITION SPONSOR
$2500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Half Page A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 25% discount on both Extra Delegate Registrations and Booth

ABOUT VENUE

"The City of Lights dazzles in every way"

World-famous landmarks include the Louvre Museum, Notre-Dame Cathedral, and the Eiffel Tower. It is well-known as a pleasant and culturally diverse city. The city is also recognised for its high-quality food and café terraces. The City of Lights, Fashion Capital, and Love City are all names for Paris. All of these nicknames are insufficient to describe Paris in its fullness. Paris is a historic city with a rich past. Despite the discovery of prehistoric artefacts in Paris, the city's history can only be traced back to the Gallo-Roman era, when it was known as Lutecia. Paris has always been at the centre of history.

Paris is rich in historical landmarks and architectural styles. Anyone can discover something they like, from the oldest antic relics to the most current structures. They are not only historical monuments, but also internationally renowned architectural marvels. Some of them, particularly the Eiffel Tower, are such powerful symbols that they are frequently featured in the media. The most beautiful monuments in Paris can be used to learn about the history of Paris, France, and perhaps humanity. Apart from its many landmarks, Paris has a large number of museums, with over 144 according to the Paris Convention and Visitors Bureau. Whether you enjoy art, science, or history, or just wish to impart these subjects to your children, there is a museum in Paris that will pique your interest. In Paris, you may see some of the world's most famous works of art. To see them, art lovers from all around the world travel to Paris. In Paris, there is a museum for anything you like.

It is also the architecture of Paris that makes it so appealing and fascinating. Paris is numerous of architectural styles, ranging from modern buildings like the Louis Vuitton Foundation's glass edifice to majestic Haussmannian apartments. Regardless of their preferred era or style, architecture enthusiasts will always find a way to indulge their enthusiasm.

That is how amazing Paris is! Waiting to see you there.
