ABOUT US

Pulsus Group is an internationally renowned peer-review publisher in scientific, technical, and medical journals established in the year 1984 with offices in Ontario, Canada and Hyderabad, India has acquired Andrew John Publishing and openaccessjournals.com to expand its Open Access Publishing through its 50+ journals in association with 20+ International medical and scientific societies.

Pulsus through its cmesociety.com is been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international CME/CPD accredited conferences and meetings.

Pulsus Group is a Medical publisher that adheres to stringent peer-review procedure with a view to set an example in promoting standard medical research with integrity. Pulsus Group takes pride in getting the endorsements of prestigious associations and societies like Canadian medical societies. As an ardent supporter of medical publishing, Pulsus Group closely associates with the Canadian and other international medical research associations. It publishes a wide range of medical journals that focus on medical specialties like cardiology, Integrative Medicine, Surgery and Reproductive Medicine.Pulsus group is closely associated with globally renowned academic and research societies like Canadian Society of Plastic Surgeons, Canadian Society for Aesthetic Plastic Surgery, Groupe pour l'Avancementde la Microchirurgie Canada, Canadian Society for Surgery of the Hand.

MARKET ANALYSIS

The global health care sector continues to rise up to the new challenges presented by the ongoing pandemic, which continues to dominate health care systems' attention and resources. They continue to elevate the human experience of their workforce and reshaping what, how, and where work is performed, swiftly scaling virtual health services for patients, and forging partnerships to produce and procure the required vaccines, treatments, and supplies. At the same time, they continue to address the heightened importance of inequities of health care, sustainability and the environment.

- Practitioners
- Ph.D. Researchers
- Graduates, and Post
- Graduates, Noble
- laureates in Health Care and Nursing
- Research Institutes and individuals
- Healthcare Industries
- Healthcare and
- Nursing Associations, Societies
- Researchers

WHY TO ATTEND

Medical services meetings are significant on the grounds that it is a chance to bring a ton of medical services experts together to share and talk about a point. This has been a staple in medication and is something we do each day in our expert lives-we talk with one another. Updating of information and abilities. Introducing research papers and getting important knowledge into the examination done by other clinical understudies.

Get valid statements for your resume.

In case you're intending to do a Residency abroad or seek after an MPH/M. Res/Ph.D., at that point it adds to your CV.

The most significant of everything is Awareness. Be mindful of what everything is going on around you and your partners.

ABOUT VENUE

London is the largest city in Europe and is the capital city of England and the United Kingdom. London is one of the most cosmopolitan. The tallest building in London is The Shard London Bridge and it is also the 45th tallest in the world. London is the first city to host the Olympics three times (1908, 1948 and 2012). The river Thames flows through London. Tower Bridge is the most recognisable bridge on the river Thames since 1894 and is often referred to as "London Bridge". London has 43 universities, the largest concentration of higher education in Europe. More than 300 languages are spoken within London.

The London Underground is the oldest underground railway network in the world. The double-decker bus is an icon of London.

The traditional colour of taxis in London is Black. Today the 'Black Cabs' come in 12 different colours. Buckingham Palace is

The Queen's official London residence and has 775 rooms these include 19 State rooms, 52 Royal and guest bedrooms, 188 staff bedrooms, 92 offices and 78 bathrooms. Buckingham Palace gets its name from a man named Duke of Buckingham who built Buckingham House for himself as a grand London home. Big Ben is not actually the name of the clock or the tower.

It is the 13-ton bell inside the clock. The tower is known as St Stephens Tower but most people refer to it as Big Ben. The West End is London's main entertainment (theatres) and shopping district. London Medical is located in Marylebone High Street, London which gives world class facilities and an enormous range of scope for Nursing and Health Sciences Education.

Abstract submission opens: October 20, 2022 | **Registration opens:** October 01, 2022
