7th World Congress on

DENTISTRY AND MAXILLOFACIAL SURGERY

November 21-22, 2024 | Dubai, UAE

https://dentistry.pulsusconference.com/

INVITATION

DENTISTRY CONGRESS 2024

Welcome to the "7th World Congress on Dentistry and Maxillofacial Surgery" - Dentistry Congress 2024, taking place on November 21-22, 2024, in Dubai, UAE.

This year's theme, "Innovative New Technologies in Dental Medicine and Oral Surgery," aims to introduce new ideas, convictions, strategies, and tactics that directly influence the practice and management of dentistry and maxillofacial surgery. The congress will feature eminent professionals in the field.

Dentistry Congress 2024 will serve as a platform for renowned scientists, doctors, researchers, university professors, and students. The event will include lectures, oral and poster presentations, exhibitions, and more, providing an opportunity to share research experiences, gain recognition, and receive certificates signed by our esteemed organizing committee.

This year's congress promises a distinguished lineup of keynote speakers, quality presentations, and engaging content. It offers an excellent opportunity for delegates from universities and institutes to interact with leading scientists. Interested participants are encouraged to confirm their attendance and join the conference with their colleagues.

We hope you will join us at Dentistry Congress 2024 and take some time to enjoy the unique charm of Dubai.

Regards,
International Organizing Committee,
Dentistry Congress 2024

ABOUT US

Since many years Pulsus has also been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international conferences and meetings.

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

With a legacy of 30 years of excellence in Medical Publishing we are endorsed by various societies like International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, World Association of Medical Sciences, International Society for Ceramics in Medicine, Thalassaemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

MARKET ANALYSIS

By Material (Metal Ceramic, Ceramic (Zirconia, Glass Ceramic), Equipment (Milling Equipment, Scanner, Furnace, Articulators), Prosthetics (Bridge, Crown (Porcelain Fused to Metal, CAD CAM Ceramics), and Dentures) - Netherlands Dental Lab Market, Industry Trends and Forecast to 2029. Dental labs contain a range of instruments that help treat patients' dental issues, including dental prostheses, fixed or removable dentures, crowns, bridges, orthodontic appliances, stools, chairs, and dental restorations, as well as equipment including lasers, radiography, and software. Dental laboratories form dental prosthetics or other objects, enabling patients to obtain the right therapy. An impression or digital scan of the patient's teeth is taken by a dentist at the clinic to create the products. Since every instrument or technology used in these professions depends on the therapy, According to Data Bridge Market Research, the dental lab market, which was worth USD 42.36 billion in 2021, is projected to soar to USD 71.70 billion by 2029 and have a CAGR of 6.80% from 2022 to 2029. The market report created by the Data Bridge Market Research team includes in-depth expert analysis, patient epidemiology, pipeline analysis, pricing analysis, and regulatory framework in addition to market insights like market value, growth rate, market segments, geographic coverage, market players, and market scenario.

ABOUT VENUE

Situated in the United Arab Emirates (UAE), Dubai is a metropolis as well as an emirate. With a population of more than 3.3 million, it is the most populated city in the United Arab Emirates. In the 1800s, Dubai was a tiny fishing village, but it has since grown into a major international center for luxury travel, trade, and tourism.

Dubai is renowned for its ultramodern buildings, which include the Burj Khalifa, the tallest structure in the world. In addition, the city has a large number of upscale hotels, retail centers, and man-made islands. The Burj Khalifa, the Dubai Fountain, the Dubai Mall, and the Palm Jumeirah are a few of the most well-liked tourist spots in Dubai.

Dubai has a desert climate, with hot summers and mild winters. The city is also known for its sandy beaches and clear waters. Dubai is a popular destination for tourists from all over the world, and it is known for its luxurious lifestyle and its many attractions.
