About Pulsus

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity. PULSUS conferences act as a catalyst on the research trends that really matter and spurring their adoption by exploring and disseminating cutting-edge information. Thus, mainly adhere to stringent peer-review procedure with a view to set an example in promoting standard medical research with integrity. As an ardent supporter of medical publishing, Pulsus Group closely associates with the The American Society for Microbiology (ASM), The Australasian Society for Infectious Diseases, The Infectious Diseases Society of America (IDSA), The Hong Kong Society For Infectious Diseases (HKSID), World association for infectious diseases and immunological disorders, Association of Medical Microbiology and Infectious Disease Canada, Japanese society for bacteriology. Pulsus Conferences explore the future by connecting minds and spreading brilliance at Pulsus Group annual conferences & meetings. Meet your colleagues, discuss your specialty, spread and aid, learn & grow in association with 1000+ scientific societies from The USA, Europe, The Middle East, Africa and The Asia-Pacific region. Pulsus group is closely associated with globally renowned academic and research societies

Pulsus Conferences believe that true technology and innovation depends on hearing from, and listening to, people with a variety of perspectives. Pulsus Conferences enhances the technology for people from underrepresented groups by actively recruiting diverse speakers for our events, signing up a broad variety of journals and videos, and taking part in ongoing conversations about the value of diversity in the communities we serve

The conference focuses on the theme "Emerging Trends in Dermatology and Cosmetology". Dermatology 2022 is an excellent platform for research scholars, students, new researchers, tutors, dentists, surgeons, technicians, medical entrepreneurs to bring out their novel Ideas, latest innovations and concerns in the field of dermatology and to exchange their ideology and researches on dermal and dermatological Education.

Target Audience

- Dermatologists
- Dermal Technicians
- Health Care Associations
- Dermal Universities
- Clinical Experts
- Medical Colleges
- Research Faculty
- Academic Scientists
- Students
- Health care researchers
- Dermal Equipment Management
- Dermatological experts
- Diagnostic Laboratory Professionals
- Business Entrepreneurs
- Industry Professionals

Who should attend ?

Dermatological Health Professionals

Research Scholars

Health care Faculty

Dermal Colleges

Health care Associations and Societies

Doctors

Why to attend?

- 10+ Keynote Speaker Session
- 50+ speaker faculty over 2 full days sharing Evidence Based
- Nursing practice
- 5+ Workshops
- 13 Interactive sessions
- Mixture of Health care units and Academia Delegates
- Networking

Past Conference Report

Dermatology conference is conducted annually. The recent conferences were held on September 07-08, 2020 at Prague, Czech Republic (2nd World congress on Dermatology and Aesthetic medicine). Once again we are delighted to welcome all the researchers to share their experiences and ideas through talks and presentations from diverse fields in advanced dermatology. This event provides an international platform in bringing together a forum for eminent researchers, students, postdocs, and business entrepreneurs to exchange their ideas and contributing an integrative approach to the diversified fields.

Dermatology 2022 witness a good no. of attendees coming from various parts of the globe and sharing their works, thoughts about the current scenario in Dermatology. Deep insights and trends in Dermatology and Healthcare were discussed among the audience and it paved way for answering many untold questions for the participants and helped them gain vital knowledge in Dermal Science. The meeting also provides an opportunity to highlight the recent developments besides identifying emerging future areas of growth.
