MARKET ANALYSIS

In both Gynecologic and Obstetrics conditions ultrasound is performed generally. In developing countries one of the threatening cause for maternal death is being indiscreet of pregnancy complications this leads to death and disability between the women of reproductive age. Maternal deaths must be reviewed to make motherhood safer. The status of maternal deaths in the United States was part of a larger report on the global, regional, and national levels and causes of maternal mortality from 1990-2013. Women's health issues have attained higher international perceptibility in the recent decades. The transformation of women lives has changed over the decades this is because the lifespan of a women is gradually decreasing from 1970's- 1990's with a age of 85 to 50 years respectively.

ABOUT VENUE

Once a small fishing village in the Arabian Gulf, Dubai is today one of the most cosmopolitan cities in the world. One of the seven emirates that make up the United Arab Emirates, the city is home to more than 200 nationalities and offers an unforgettable experience to all visitors. Whether it is by the banks of the Creek, or at the top of the Burj Khalifa, the world's tallest building, Dubai lives and breathes a sense of possibility and innovation. And with an unparalleled coastline, beautiful desert and magnificent cityscapes, memories are just waiting to be made here.

The by-product of this is a dynamic prosperity, the reason that Dubai is one of the leading luxury holiday destinations in the world! Extravagance abounds in this captivating city-state. There is a rich Arabic culture that underpins local life in the city, but all are welcome and encouraged to explore and enjoy Dubai to the absolute fullest!.
