# 8TH INTERNATIONAL CONFERENCE ON

# MATERIALS SCIENCE AND NANOTECHNOLOGY

DECEMBER 14-16, 2023 | ROME, ITALY

https://materialsscience.pulsusconference.com/

# INVITATION

## MATERIALS SCIENCE CONFERENCE 2023

We are delighted to invite you all to the "**8th International Conference on Materials Science and Nanotechnology**". This conference will be held in the beautiful city of **Rome, Italy** from **December 14-16, 2023**

With an exciting theme, "**Modern Advancement Excellence in Materials Science and Nanotechnology**", this year we can provide you with a world-class scientific program spanning all areas of materials science and their intersections with other fields of critical importance to our future including Materials Science, Materials Physics, Nanoscience, Nanomedicine and Nanotechnology etc..

Regards
Lilly Aspell | Materials Science 2023
Organizing Committee

## CONFERENCE HIGHLIGHTS

- Nanotechnology and nanomedicine
- Nanomaterials
- Biomaterials
- Nanotechnology in Food and Agriculture
- Nanotechnology in Tissue Engineering
- Green Nanotechnology and Water Treatment
- Nanotechnology
- Nanophysics
- Nanomedicine

35

## ABOUT US

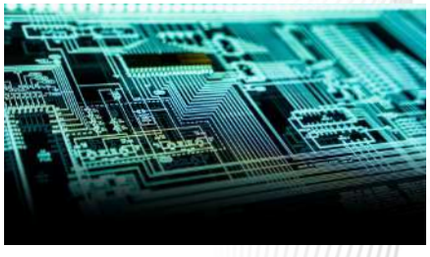

Since many years Pulsus has also been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international conferences and meetings.

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

With a legacy of 30 years of excellence in Medical Publishing we are endorsed by various societies like International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, World Association of Medical Sciences, International Society for Ceramics in Medicine, Thalassaemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

# MARKET ANALYSIS

Materials Science carries a significant impact, and serves as a revolutionary and beneficial technology across various industrial domains, including communication, medicine, transportation, agriculture, energy, materials & manufacturing, consumer products, and households.

Nanotechnology market encompasses the production and application of physical, chemical, and biological systems and devices at scales ranging from individual atoms or molecules to around 100 nanometers.

## TARGET AUDIENCE

- Materials Science Scholars
- Nanotechnology researchers
- Academic Scholars
- Materials Professionals
- Directors of chemical companies
- Material science Associations and Societies
- Materials Engineers
- Nanotechnology associates
- Scientists
- Researchers
- Professors
- Engineers
- Delegates
- Students
- Business professionals
- Clinical research associates
- Scholars
- Sponsors
- Marketing & Advertising Executives.

## WHO SHOULD ATTEND

- Physicist
- Chemist
- Materials engineer
- Nanotechnologists
- Industry professionals
- Electrical engineers
- Pharmacologist
- Metallurgist
- Forensic engineer
- Crystallographers
- Nanomaterials designer
- Business professionals
- Optical engineers
- Metallurgical engineers
- Polymer engineer
- Automotive engineer
- Robotics Engineer

## WHY TO ATTEND

By 2050, there will be an estimated 9.8 billion people worldwide. With a drastic increase, herbal remedies can have side effects and it is necessary to develop new things to meet the demand of the people. Materials science is one of the fastest growing fields in the field of research and industry. The conference on nanotechnology provides fundamental ideas on innovation and sustainability technologies. The sector covers a wide variety of emerging market segments such as engineering resins, polymer composites and compounds, advanced batteries and fuel cells and more.

# WHY SPONSOR OUR EVENT?

Maximum exposure at a premier conference devoted to those involved in the office professional industry.

An opportunity to build and reinforce strategic relationships within the office professional industry.

Time to network with industry colleagues and key decision makers.

A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.

Access to a broad network of industry partners from state and federal Government departments and the private sector.

Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.

Increased marketing opportunities including visibility on the conference website and associated marketing materials

**DIAMOND SPONSOR**
**$10000**

- Top billing logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Three corporate sponsored workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Four complimentary registrations.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

**GOLD SPONSOR**
**$7500**

- Logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Two corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Three complimentary congress registrations.
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

**SILVER SPONSOR**
**$5000**

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- Two complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

**BRONZE SPONSOR**
**$3500**

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

**EXHIBITION SPONSOR**
**$2500**

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Half Page A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 25% discount on both Extra Delegate Registrations and Booth

## EDITORIAL BOARD MEMBERS

**Paul Standard**
The World Nano Foundation, Uk

**Jagat R Kanwar**
Deakin University, Australia

**Alain L. Fymat**
International Institute of Medicine & Science, USA

**Ching-An Peng**
University of Idaho
USA

**Hans-Jorg Fecht**
Ulm University
Germany

**Mohamed Tahiri**
Hassan 2nd University of Casablanca
Morocco

**Omar Cherkaoui**
Higher School of Textile and Clothing Industries
Morocco

**Elsayed Ahmed Elnashar**

## ABOUT VENUE

The italy is the third-richest country in the world, below Luxembourg at number two and Qatar at number one, with a GDP per capita of $57,744. The bulk of its money comes from the production of goods and provision of services related to petroleum, petrochemicals, aluminium and cement. Dubai is the famous for contemporary sightseeing attractions such as the Burj Khalifa (the world's tallest building) and shopping malls that come complete with mammoth aquariums and indoor ski slopes. But this city has many cultural highlights and things to do, as well as all the glamorous modern add-ons. Dubai is also known as for ultra-fast cars.
