9th INTERNATIONAL CONFERENCE ON

MATERIALS SCIENCE AND NANOTECHNOLOGY

JUNE 27-28, 2024 LONDON, UK | HYBRID

https://materialsscience.pulsusconference.com/

INVITATION

MATERIALS SCIENCE 2024

Join us for the "9th International Conference on Materials Science and Nanotechnology" in London, UK, on June 27-28, 2024.

Explore the theme of "Modern Advancement Excellence in Materials Science and Nanotechnology" through a world-class scientific program covering Materials Science, Materials Physics, Nanoscience, Nanomedicine, and Nanotechnology.

This premier event unites top academic researchers, professionals, delegates, entrepreneurs, and industrialists worldwide. Engage in discussions, share groundbreaking developments, and explore advanced research shaping the future of materials science and nanotechnology.

Forge global partnerships, connect with professionals, and broaden your knowledge in a dynamic environment. Collaborate with our enthusiastic Organizing Committee to make Materials Science 2024 a success, fostering learning, innovation, and meaningful connections.

Save the date, pack your curiosity, and be part of Materials Science 2024. We can't wait to welcome you to the vibrant city of London!

Best Regards,
Organizing Committee
Materials Science 2024

CONFERENCE HIGHLIGHTS

- Smart Materials
- Materials Chemistry
- Nanotechnology
- Nanomedicine
- Nanomaterials Science and Metrology
- Carbon Nanotubes and Biomolecules
- Polymer Science and Technology
- Composite Materials
- Optical and Photonic Materials
- Electronic and Magnetic Materials
- Metals and Metallurgy
- Corrosion and Mining
- Nanobiotechnology
- Nanochemistry and Nanoparticles
- Nanofabrication and Nanoplasmonics
- Nanooptics and Nanophotonics
- Nanoferroics and Nanoacoustics
- Nanomagnetism and Spintronics
- Nanotoxicology and Nanotribology
- Nanoscale Modelling and Applications
- Additive Manufacturing
- Nanotechnology for Energy and Environmental Applications
- Materials Science and Engineering
- Radiotherapy in Materials
- Biomaterials
- Tissue Engineering

39 Years Excellence

ABOUT US

Since many years Pulsus has also been very instrumental to provide an invaluable channel for Scientists and Researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between Universities, Institutions, research bodies and Organizations from different countries through International Conferences and Meetings.

Pulsus Group is an International Renowned Medical peer-review publisher and conference organizer established in the year 1984 publishes and hosts the work of Researchers in a manner that exemplifies the highest standards in research integrity.

With a legacy of more than 35 years of excellence in Medical Publishing we are endorsed by various societies like World Association of Medical Sciences, International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, International Society for Ceramics in Medicine, Thalassemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

MARKET ANALYSIS

Material Science plays an essential role in medicine by enabling prophylactics, diagnostics, and therapy of a variety of medical diseases. The carbon nanotubes segment dominated the market and accounted for the largest revenue share due to the carbon nanotubes being used in a wide range of pharmaceutical and medical applications due to their enormous surface area and capacity to absorb and conjugate diagnostic and therapeutic substances, including as medicines, genes, vaccines, biosensors, and antibodies. Data Bridge Market Research analyses that the nanotechnology market is expected to grow at a CAGR of 36% and at USD 5.2 billion in 2021 and is further estimated to reach USD 60.86 billion by 2029 during the forecast period. Data Bridge Market Research analyses that the nanotechnology market is expected to grow at a CAGR of 36% and at USD 5.2 billion in 2021 and is further estimated to reach USD 60.86 billion by 2029 during the forecast period. The market report curated by the Data Bridge Market Research team includes in-depth expert analysis, patient epidemiology, pipeline analysis, pricing analysis, and regulatory framework.

TARGET AUDIENCE

- Materials Science Scholars
- Nanotechnology researchers
- Academic Scholars
- Materials Professionals
- Directors of chemical companies
- Material science
- Associations and Societies
- Materials Engineers
- Nanotechnology associates
- Scientists
- Researchers
- Professors
- Engineers
- Delegates
- Students
- Business professionals
- Clinical research associates
- Scholars
- Sponsors

WHO SHOULD ATTEND

- Physicist
- Chemist
- Materials engineer
- Nanotechnologists
- Industry professionals
- Electrical engineers
- Pharmacologist
- Metallurgist
- Forensic engineer
- Crystallographers
- Nanomaterials designer
- Business professionals
- Optical engineers
- Metallurgical engineers
- Polymer engineer
- Automotive engineer
- Robotics Engineer

WHY TO ATTEND

By 2050, there will be an estimated 9.8 billion people worldwide. With a drastic increase, herbal remedies can have side effects and it is necessary to develop new things to meet the demand of the people. Materials science is one of the fastest growing fields in the field of research and industry. The conference on nanotechnology provides fundamental ideas on innovation and sustainability technologies. The sector covers a wide variety of emerging market segments such as engineering resins, polymer composites and compounds, advanced batteries and fuel cells and more

WHY SPONSOR OUR EVENT?

Maximum exposure at a premier conference devoted to those involved in the office professional industry.

An opportunity to build and reinforce strategic relationships within the office professional industry.

Time to network with industry colleagues and key decision makers.

A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.

Access to a broad network of industry partners from state and federal Government departments and the private sector.

Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.

Increased marketing opportunities including visibility on the conference website and associated marketing materials

DIAMOND SPONSOR $10000

- Top billing logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Three corporate sponsored workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Four complimentary registrations.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

GOLD SPONSOR $7500

- Logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Two corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Three complimentary congress registrations.
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

SILVER SPONSOR $5000

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- Two complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

BRONZE SPONSOR
$3500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

EXHIBITION SPONSOR
$2500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Half Page A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 25% discount on both Extra Delegate Registrations and Booth

ABOUT VENUE

London, the iconic capital of the United Kingdom, beautifully blends history, culture, and modernity. Famous landmarks such as Big Ben, the Tower of London, and the impressive Tower Bridge shape the city's skyline, recounting tales of a bygone era. Delving into London's cultural wealth reveals an array of museums and galleries. The British Museum stands as a testament to human history, while the Tate Modern showcases contemporary brilliance, emphasizing the city's dedication to preserving and promoting art through the ages. London's neighborhoods offer diverse experiences, from the eclectic vibes of Shoreditch to the refined elegance of Mayfair. The lively atmosphere of Covent Garden and the vibrant colors of Notting Hill contribute to the unique charm that defines London.

Global culinary delights await in London, with Michelin-starred restaurants and eclectic street food markets catering to every palate. The city's economic prowess, coupled with top-tier educational institutions, cements London as a global hub for business and learning. In every nook and cranny, London invites exploration with its dynamic mix of tradition and innovation, urging visitors to immerse themselves in its timeless allure and embrace the vibrant energy of this cosmopolitan metropolis.
