INVITATION

ADDICTION 2026

Dear Esteemed Colleagues,

We are delighted to welcome you to the **9th World Congress on Addiction Medicine and Psychiatry**, taking place in the historic and culturally rich city of **Prague, Czech Republic**, on **May 14–15, 2026**. This year's theme, **"Transforming Lives with Breakthroughs in Mind and Medicine,"** sets the foundation for an inspiring global gathering dedicated to advancing innovation, research, and best practices in addiction science and mental health care.

This prestigious congress will unite leading clinicians, researchers, academicians, and mental health professionals from across the world to exchange insights, present cutting-edge research, and discuss transformative approaches in addiction medicine and psychiatry. Participants will have the opportunity to engage in thought-provoking discussions, attend impactful keynote sessions, and take part in interactive workshops focused on emerging therapies, prevention strategies, and recovery-based models.

The enchanting city of Prague—known for its architectural beauty, scientific heritage, and vibrant intellectual atmosphere—offers an ideal setting for fostering collaboration, knowledge exchange, and new perspectives in our field. We look forward to welcoming you as we work together to reshape the future of addiction treatment and mental health support.

Join us in this significant global dialogue as we strive to improve outcomes, uplift communities, and transform lives through advanced science and compassionate care.

Warm Regards,
Organizing Committee

MARKET ANALYSIS

The addiction medicine and psychiatry market analysis examines the growing demand for integrated care addressing substance use disorders and co-occurring mental health conditions. This market is driven by rising addiction prevalence, increasing recognition of mental health's role in addiction, and advancements in treatment approaches. Key segments include medication-assisted treatments (e.g., methadone, buprenorphine), behavioral therapies (e.g., CBT, MI), and digital health solutions like telemedicine and mobile apps. Emerging trends include personalized medicine, holistic therapies, and AI-powered diagnostics. Challenges such as stigma, limited access to specialized care, and regulatory complexities persist. Geographically, North America leads the market, while Asia-Pacific shows rapid growth due to increasing awareness and healthcare investments. The integration of psychiatry and addiction medicine offers significant opportunities to improve patient outcomes and expand market reach.

ABOUT VENUE

Prague, the capital of the Czech Republic, is one of Europe's most enchanting and historically rich cities. Often known as the **"City of a Hundred Spires,"** it captivates visitors with its stunning Gothic, Baroque, and Renaissance architecture. Iconic landmarks such as **Prague Castle**, **Charles Bridge**, **Old Town Square**, and the **Astronomical Clock** showcase the city's timeless beauty.

The city's winding cobblestone streets, vibrant cultural scene, and charming riverside views along the Vltava River create an atmosphere that feels both magical and inspiring. Beyond its historical elegance, Prague is also a modern hub for education, research, and innovation, making it an ideal destination for global academic and professional gatherings.

With its blend of rich heritage, warm hospitality, and dynamic intellectual environment, Prague offers a perfect setting for engaging discussions, collaboration, and learning during the **9th World Congress on Addiction Medicine and Psychiatry**.
