8TH WORLD CONGRESS ON

ADDICTION MEDICINE AND PSYCHIATRY

NOV 26-27, 2026 | PRAGUE, CZECH REPUBLIC

INVITATION

ADDICTION 2026

Greetings

Welcome to the 8th World Congress on Addiction Medicine and Psychiatry, taking place on November 26–27, 2026, in Prague, Czech Republic. We are delighted to welcome researchers, clinicians, mental health professionals, addiction specialists, academicians, and policymakers from around the world to share knowledge, present cutting-edge research, and discuss the latest advancements in addiction medicine and psychiatry. We look forward to welcoming you to Prague for an inspiring and rewarding congress experience.

~Dr. Stella Joseph, Program Director

Healthcare

2026

Market Analysis

The global addiction conference and treatment industry is experiencing steady growth, driven by increasing demand for recovery platforms, rising investments in behavioral health innovation, and expanding collaborations across addiction medicine and mental health services. Addiction conferences, research symposia, and industry networking events are expected to grow at a strong pace between 2025 and 2030, supported by greater need for treatment innovation showcases and partnership opportunities.

TARGET AUDIENCE

- Addiction Psychiatrists
- Addiction Medicine Physicians
- Clinical Researchers
- Neuroscientists
- Regulatory Affairs Professionals
- Addiction Counselors
- Therapists & Behavioral Health Practitioners
- Laboratory Technologists
- Gene Therapy Researchers
- Cell Therapy Researchers
- Molecular Biologists
- Addiction Risk & Precision Medicine
- Business Development Professionals
- Licensing Professionals
- University Scholars & Academic Faculty
- and more...

WHO SHOULD ATTEND?

- Curious Learners
- Knowledge Seekers
- Innovation Explorers
- Future Thinkers
- Science Enthusiasts

EDITORIAL BOARD MEMBERS

Dr Andrew Sofin
Canada

Dr Felice Corona
Italy

Dr Sam Vaknin
Russia

Dr Matthew Bobinski
USA

Why Attend?

- Stay ahead of the latest developments in addiction neuroscience, treatment discovery, and recovery innovation.
- Gain insights from clinical pioneers, public health authorities, and addiction medicine leaders as they share cutting-edge approaches to prevention and care.
- Explore breakthroughs in pharmacotherapy, behavioral interventions, harm reduction strategies, and next-generation recovery-support technologies.
- Build meaningful connections with a global community of researchers, clinicians, policymakers, and advocates shaping the future of addiction treatment and recovery.

SECURE YOUR SPOT

PRAGUE, CZECH REPUBLIC

Situated in the vibrant Florenc district, just steps from Prague's historic center, **Grandior Hotel Prague** offers modern accommodations, excellent public transport links, and convenient access to both the city's iconic landmarks and major business districts.

About Prague: The Czech capital stands as a jewel of Central Europe—a city where a thousand years of architectural history meets a thriving modern economy. Home to the majestic Prague Castle, the medieval Charles Bridge, and the Old Town Square's Astronomical Clock, Prague is also an emerging hub for biotechnology, life sciences, and pharmaceutical innovation. The city hosts renowned research institutions like BIOCEV and the Institute of Organic Chemistry and Biochemistry, alongside a growing ecosystem of biotech startups drawn by its strategic location, deep scientific talent pool, and strong connections across European research networks.

Abstract submission starts on: June 29, 2026

Early bird registration starts on: June 30, 2026

On-site regsitartion: November 26, 2026
