"LONDON ,THOU ART THE FLOWER OF CITIES ALL" ,by WILLIAM DUNBAR.London is one of the most beautiful city in the world. London's old pubs are some of the most beautiful buildings in the city and many have literary connections, having been frequented by the likes of Shakespeare, Dickens and Samuel Johnson.London's West End is world-renowned, but the city is also home to a number of fringe theater, which put on left field productions across the city. Wilton's is the oldest music hall in the world and its crumbling interior beautifully evokes an otherwise vanished past. Intimate concerts occasionally take place on the premises, but you can also take tours of the venue or prop up the bar for a drink.
