About PULSUS

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

Pulsus Conferences explore the future by connecting minds and spreading brilliance at **Pulsus** Group annual conferences & meetings. Meet your colleagues, discuss your specialty, spread and aid, learn & grow in association with 1000+ scientific societies from The USA, Europe, The Middle East, Africa and The Asia-Pacific region. **Pulsus** group is closely associated with globally renowned academic and research societies.

Pulsus Conferences believe that true technology and innovation depends on hearing from, and listening to, people with a variety of perspectives. **Pulsus** Conferences enhances the technology for people from underrepresented groups by actively recruiting diverse speakers for our events, signing up a broad variety of authors for journals and videos, and taking part in ongoing conversations about the value of diversity in the communities we serve.

The crucial aspiration of the Drug Addiction 2020 is to extend an opportunity for all marketing societies, delegates, Researchers, Scientists to meet, interact and exchange new ideas. Drug addiction has reached epidemic levels across the globe with approximately 247 million drug users worldwide. Excluding alcohol and tobacco, the top ten drugs used across the world were: cannabis, MDMA, cocaine, amphetamines, LSD, magic mushrooms, prescribed & non-prescribed opioid medication, nitrous oxide, ketamine and poppers. One in 10 deaths among working-age adults aged 20–64 years are due to excessive alcohol use. Excessive alcohol consumption is responsible for an average of 88,000 deaths each year. Prolonged exposure to drugs alters the brain in ways that result in powerful cravings and a compulsion to use. These brain changes make it extremely difficult to quit by sheer force of will. So, this is the chance to interact with world renowned scientists, and to know more things about addiction science. Perfectly designed schedule, Workshop, Expo areas, brainstorming sessions and many more. Locate a variety of conferences and training's across the country that will help you sharpen your skills and expand your professional network.

Target Audience

- Scholars, Students, Delegates
- Researchers
- Doctors
- Scientists
- Professors
- Healthcare Industries
- Psychiatrists
- Psychologists
- Recovery Managers and Care Advisors
- Clinical Services Managers
- Occupational Therapists
- Addiction Counsellor

About City and Venue

Chicago was named the number one meeting destination in the US by Cvent. On the shores of Lake Michigan lies the windy city of Chicago. This multi-ethnic destination has an extensive mix of cuisines and attractions, making it hard to run out of things to do. For the best views of the city, take a trip to Skydeck Chicago, the Western Hemisphere's tallest building. On a clear day, when standing on the glass ledge over 1000 feet above the ground, you can see for more than 50 miles, so not a bad way to start your exploration of the city! The attractive Chicago Cultural Center does what it says on the tin. Under two majestic stained glass domes you can find various theatre, music and film, and as many free shows. From posh AAA diamond-rated restaurants to American diners serving Chicago-style deep-dish pizzas, this city caters for all, so enjoy a hearty meal before sampling the city's widespread nightlife. 87th Street and Stony Island Avenue are the places to go to heed to jazz music in Chicago, while Roscoe village has a lively party scene drawing a young crowd. If you just want an atmospheric place to chat with a beer then look no further than your nearest street corner; Chicago is littered with pleasant bars to enjoy amongst friends.

Why Sponsor Our Event?

- Maximum exposure at a premier conference devoted to those involved in the office professional industry.
- An opportunity to build and reinforce strategic relationships within the office professional industry.
- Time to network with industry colleagues and key decision makers.
- A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.
