Invitation

On behalf of an Internationally renowned conference organization, we are proud to present our annual conference, the "**5th International Heart Conference**" (Advanced Heart 2020), scheduled on **April 24-25, 2020** in **Tokyo, Japan**.

We cordially welcome academicians, medical professions, researchers, students and business administrators in the field of Cardiology, and Health care from across the world to be part of Advanced Heart 2020. This Congress on Cardiology revolves around an exceptional theme – "***experiencing an exponential advance in cardiac studies***".

Advanced Heart 2020 offers an enthusiastic opportunity for the growing generations occupied in various researches to improve their abilities in the field. It will also include an extensive update on all clinical, surgical, and interventional, topics in cardiology. In addition to this, the participants will learn about recent trials being practiced that are likely to influence future practices. This Heart conference is the premier forum for professors, researchers, members from the renowned societies and institutes, young researchers from academia and industry to explore their shared interest in the field of Cardiology.

Regards,
Advanced Heart 2020
Organizing Committee

Conference Highlights

- Fundamentals of Cardiology
- Heart Disorders
- Cardiovascular Diseases
- Pediatric Cardiology
- Hypertension
- Cardiovascular Imaging
- Cardio-oncology
- Cardiac Surgery
- Cardiac Transplantation
- Management of Heart
- Heart Health in Women
- Case Reports in Cardiology
- Clinical Trials
- Diabetes and Heart
- Cardiac Nursing
- Cardiac Pharmacology
- Preventive Cardiology
- Recent Trends

About PULSUS

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

PULSUS conferences act as a catalyst on the research trends that really matter and spurring their adoption by exploring and disseminating cutting-edge information. Thus, mainly adhere to stringent peer-review procedure with a view to set an example in promoting standard medical research with integrity. As an ardent supporter of medical publishing, Pulsus Group closely associates with the American Board of Psychiatry and Neurology (ABPN), American Neurological Association (ANA), American Society of Neuroimaging, Neurological Society of India, Indian Academy of Neurology, Arizona Neurological Society, California Neurology Society.

Pulsus Conferences explore the future by connecting minds and spreading brilliance at Pulsus Group annual conferences & meetings. Meet your colleagues, discuss your specialty, spread and aid, learn & grow in association with 1000+ scientific societies from the USA, Europe, The Middle East, Africa and The Asia-Pacific region. Pulsus group is closely associated with globally renowned academic and research societies.

Pulsus Conferences believe that true technology and innovation depends on hearing from, and listening to, people with a variety of perspectives. Pulsus Conferences enhances the technology for people from underrepresented groups by actively recruiting diverse speakers for our events, signing up a broad variety of authors for journals and videos, and taking part in ongoing conversations about the value of diversity in the communities we serve.

Market Analysis

Advanced Heart 2020 is a scientific occasion intended for International Cardiologists and research experts to meet up with pioneers from both industry and academia and establish a scientific network between them. The conference invites participants from all leading universities, clinical research institutions and diagnostic companies to share their research experiences on all aspects of this rapidly expanding field and thereby, providing a showcase of the latest techniques. International Heart Conference will witness an amalgamation of peerless speakers who enlighten the delegates with their knowledge and confabulate on various new-fangled topics related to the field of Cardiology. This conference has been designed in an interdisciplinary manner with a multitude of tracks to choose from every segment and provides you with a unique opportunity to collaborate with the leading heads in the cardiac society. Advanced Heart 2020 is scheduled on April 24-25, 2020 at Tokyo, Japan and make this event a grand success with your participation.

Target Audience

- Neurologists and Nurses
- Healthcare Analysts
- Scientists and professors
- Medical Colleges
- Research faculty
- Academic Scientists
- Private Practitioners
- Therapy Advisors
- Students
- Diagnostic laboratory professionals
- Business Entrepreneurs

Who should attend?

- Cardiologists
- Pharmacologists
- Physicians
- Academicians
- Academic scientists
- Industry professionals
- Diagnostic laboratory professionals
- Undergraduate & Postgraduate students
- Researchers
- Business professionals
- Postdoctoral fellows and Trainees
- Cardiac Diagnostics Associations and Societies.

Why to attend?

- 5+ Keynote Speaker Session
- 15+ speaker faculty over 2 full days sharing Evidence Based on Cardiology
- 3+ Workshops
- 17+ Interactive sessions
- Mixture of Cardiologists, Physicians, Industrial Professionals and Academia Delegates
- Networking
