Institute, Australia

and many more . . .

Welcome Message

It is an honor to welcome you all to the **4th World Congress on Neurology and Therapeutics** which is going to be held from **May 08-09, 2020** in **Prague, Czech Republic.**

Advanced Neurology 2019 proposes a solicit to all the Deans, Directors, Head of the Department, Head of the Labs, Professors and Lectures as Guest lectures, Chairs, Co-Chairs, Keynote or plenary Speakers, Speakers.

Media-Partners, Labs, Institutes, Associations, Societies, Groups, Companies, Device manufactures as Workshop organizers, Exhibitors, Sponsors, Delegates for B2B meetings to have an advantageously robust exposure to the society of their service.

Students, Researchers, Postdocs interested in an academic career and research can contribute their amicable presence as YRF Young Researchers Forum and Poster presenters even as delegates as they can find an opportunity from affluent neurology professors with great researches, honours and laurels.

We look forward to seeing your participation at this event which will be held in one of the world's most beautiful cities.

Regards

Advanced Neurology 2020 | Organizing Committee

Plan Your Trip

Prague, Czech Republic has a feeling of Western Europe meets Eastern Europe and it is a joy to explore because there is both history and beauty. There are so many things to do in Prague that you could spend a month exploring this city and not get bored. Prague is well-known for its beautiful architecture and beer and it is the Golden City to Explore the charm.

Prague is beautiful any time of the day, but there is something extra special about it at night. As the sun goes down, and the lights come up, the historic buildings are lovelier, the narrow and curved cobblestone streets become romantic, and the view from the Vltava River is breath-taking. The city of Prague is popular with tourists as there is the number of places to explore.

Sure that you will fall in love with the City of Hundred Spires!!
