INTERNATIONAL CONFERENCE ON

ADVANCE AEROSPACE & AVIATION RESEARCH

NOVEMBER 20-22, 2023 | LONDON, UK

https://aerospace.cmesociety.com/

INVITATION

AEROAVIOXPO 2023

Join us at the Aerospace & Aviation Conference

Exploring the Future of Flight November 20-22, London, UK

Dear Aerospace & Aviation Enthusiast,

We are delighted to invite you to the upcoming AeroAviaXpo 2023 Conference, where we will be diving into the latest trends, innovations, and advancements in the dynamic world of aerospace and Aviation.

Thispremiereventwillbringtogetherindustryexperts,researchers,academics,andprofessionalstoexchange knowledge, share insights, and explore the possibilities that lie ahead. From cutting-edge technologies to sustainable practices, this conference will showcase the breakthroughs shaping the future of flight.

Join us as we embark on a journey of discovery, navigating the horizons of aerospace and aviation. Immerse yourself in thought-provoking sessions, engage in lively discussions, and network with like-minded individuals passionate about pushing the boundaries of our skies.

Highlights of the Aerospace & Aviation Conference:

- Keynote speeches by renowned experts in the field
- Engaging panel discussions on emerging technologies
- Presentation of cutting-edge research and industry case studies
- Interactive workshops and demonstrations
- Networking opportunities with industry leaders and peers
- Exhibition showcasing the latest aerospace innovations

Don't miss this incredible opportunity to be a part of the conversation shaping the future of flight. Join us at the Aerospace & Aviation Conference and become a catalyst for change. Register now to secure your spot at this transformative event. Visit our website https://aerospace.cmesociety.com/ for more information and to reserve your seat. Limited spaces available!

We look forward to welcoming you to the Aerospace & Aviation Conference and embarking on an inspiring journey together.

Regards

Stan Lee Williams | Program director

AEROAVIOXPO 2023

CONFERENCE HIGHLIGHTS

- Aerospace Systems and Integration
- Aerospace and Aviation Sustainability
- Aerospace Innovation and Future Technologies
- Aerospace and Defence
- Aerospace Education and Workforce Development
- Commercial Aviation and Airline Operations
- Aerospace Technology and Innovation
- Space Exploration and Science
- Aviation Safety and Security
- Sustainability and Environmental Impact
- Space Medicine and Aerospace Medicine.

ABOUT US

Since many years Pulsus has also been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international conferences and meetings.

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

With a legacy of 30 years of excellence in Medical Publishing we are endorsed by various societies like International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, World Association of Medical Sciences, International Society for Ceramics in Medicine, Thalassaemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

MARKET ANALYSIS

The aerospace and aviation industry is a dynamic and rapidly evolving sector that plays a vital role in global transportation, defence, and space exploration. A market analysis of aerospace and aviation reveals several key trends and insights: Market Size and Growth: The aerospace and aviation industry has experienced consistent growth over the years, driven by increasing air travel demand, rising defence budgets, and expanding space exploration initiatives. The global aerospace market is projected to reach significant market value by [year], with a compound annual growth rate (CAGR) of [CAGR%] during the forecast period. Commercial Aviation: Commercial aviation, including passenger and cargo transportation, represents a substantial segment of the aerospace industry. The growing middle class, increasing tourism, and expanding airline networks in emerging economies are fueling demand for new aircraft and fleet expansion. Defence and Military Aviation: Defense spending and modernization efforts by governments worldwide contribute to the growth of the defence aviation market. Emerging technologies, such as unmanned systems, next-generation fighters, and advanced surveillance capabilities, are driving investments in military aircraft and equipment. Space Exploration and Satellite Industry.

TARGET AUDIENCE

- Aerospace Engineers and Technologists
- Aviation and Aerospace Industry Leaders
- Researchers and Academics conducting research in aerospace engineering, aviation safety and space science.
- Government and Regulatory Bodies from Aviation Authorities
- Airline and Airport Professionals
- Defense and Military Personnel
- Space Industry Professionals
- Students and Early Career Professionals in Aerospace & Aviation field
- Industry Associations and Organizations

WHO SHOULD ATTEND

- Aeronautical & Aerospace
- Engineering Students, Scientists
- and professors
- • Avionics & Aereospace
- Researchers in,
- • NASA/USSF (United States)
- • ROSCOSMOS (Russia)
- • CNSA/CMSA (China)
- • ESA (many European)
- • ESA (many European)
- • ISRO (India)
- • JAXA (Japan)
- • CNES (France)
- • ASA/NSP (Australia)

WHY TO ATTEND

With members from around the world focused on learning about Aerospace, Space technology & its Advancement and its advances; this is your best opportunity to reach the largest assemblage of participants from the Space research & tech community. Conduct presentations distribute information, meet with current and potential scientists, and make a splash with new Advanced space and avionics developments, and Receive name recognition at this 3-day event. Global organizing: In exchanging and Trading Ideas. It's a great opportunity to show case your ideas and share your valuable knowledge. Best Poster Presentation and Scientist Awards.

WHY SPONSOR OUR EVENT?

Maximum exposure at a premier conference devoted to those involved in the office professional industry.

An opportunity to build and reinforce strategic relationships within the office professional industry.

Time to network with industry colleagues and key decision makers.

A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.

Access to a broad network of industry partners from state and federal Government departments and the private sector.

Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.

Increased marketing opportunities including visibility on the conference website and associated marketing materials

DIAMOND SPONSOR $10000

- Top billing logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Three corporate sponsored workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Four complimentary registrations.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

GOLD SPONSOR $7500

- Logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Two corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Three complimentary congress registrations.
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

SILVER SPONSOR $5000

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- Two complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

BRONZE SPONSOR $3500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

EXHIBITION SPONSOR $2500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Half Page A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 25% discount on both Extra Delegate Registrations and Booth

SUPORTING JOURNALS

Selected contributions will be published in following supporting international Journals:

Journal of Materials Engineering and Applications

https://www.pulsus.com/journal-material-science-engineering-applications.html

CONFERENCE AGENDA/ TENTATIVE PROGRAM

NOVEMBER 20, 2023 | MONDAY	
08:30-09:30	Registrations
09:30-11:30	Keynote Forum
Group Photo	
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: Space Exploration and Technology |Aircraft Design and Engineering | Air Traffic Management and Operations |Aerospace Manufacturing and Supply Chain
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: Unmanned Aerial Systems (UAS) | Human Factors and Aviation Safety
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Tracks: Aerospace Policy, Regulation, and Law | Space Applications and Earth Observation
NOVEMBER 21, 2023 | TUESDAY	
08:30-09:30	Registrations
09:30-10:30	Keynote Forum
10:30-11:30	Tracks: Aerospace Education and Outreach | Emerging Technologies and Future Trends in Aerospace | Aerospace Engineering and Design
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: Aviation Safety and Regulations | Aerospace Systems and Integration
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: Aerospace and Aviation Sustainability | Aerospace Innovation and Future Technologies
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Poster Presentations
NOVEMBER 22, 2023 | WEDNESDAY	
08:30-09:30	Registrations
09:30-10:30	Keynote Forum
10:30-11:30	Tracks: Aerospace and Defence | Aerospace Education and Workforce Development | Commercial Aviation and Airline Operations
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: Aerospace Technology and Innovation | Space Exploration and Science
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: Aviation Safety and Security | Sustainability and Environmental Impact | Space Medicine and Aerospace Medicine.
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Poster Presentations

ABOUT VENUE

London is the capital of England and the United Kingdom, as well as the largest city in Europe and one of the world's most famous tourist destinations. The City of London, located on the River Thames in south-east England, is known for its ancient core. London demonstrates a strong understanding of the arts, commerce, communication, literature, fashion, finance, healthcare, education, media, tourism, and entertainment.

London, Europe's third most populous city, has a population of about 9 million people and speaks over 300 languages. London tourism is one of the best, with its mix of history and literary beauty. The Tower of London, Kew Gardens, the Palace of Westminster, and St Margaret's Church are all World Heritage Sites. Buckingham Palace, the London Eye, St Paul's Cathedral, Tower Bridge, Piccadilly Circus, and Trafalgar Square are among the other breathtaking sights. In addition to these, London has numerous museums, sporting venues, galleries, and libraries.

Moving on, the United Kingdom is home to the National Health Service (NHS). The NHS is widely regarded as one of the best public healthcare systems in the world. The NHS supplements a wide range of excellent public healthcare services.

Abstract submission opens: July 01, 2023 | **Registration opens:** July 01, 2023
Early bird registration: July 30, 2023 | **On spot registration:** November 20, 2023
