PULSUS Traditional Medicine 2021webinars which took place on Sep 06, 2021 and Sep 07, 2021 were a great success. With the help of our eminent speakers, noble delegates and event partners we were able to set a phenomenal channel for scientists and researchers to converse ideas and research by implementing a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from various countries through international conferences and meetings.

With this note, PULSUS takes immense pleasure in inviting all the participants from all over the world to attend the "2nd Medical Summit and Expo on Acupuncture, Alternative Medicine and Traditional Medicine" which will be held during September 06-07, 2021 as Webinar. **Theme: Collaborative Strategies towards the Progress of Alternative Medicine**

This constitutes respectable keynote presentations, oral presentations by renowned speakers, intellectual poster presentations and exhibitions providing outlook on Natural products & Traditional medicine.

It offers an opportunity to meet up with esteemed individuals from both industry and academia and establish a scientific network with them. The impact of this international conference will be an excellent experience where the best expression on the most remarkable points is exhibited by pioneers.

Regards
