Invitation

PULSUS brings in a new spin on conferences by presenting the latest scientific improvements in your field. Listen to motivating keynotes from thought leaders, or rub elbows with pioneers across the globe. We are glad to invite you all to attend and register for the “2nd international webinar on Anatomy and Physiology” which is going to be held on December 06-07, 2021 as a Webinar.

Anatomy and Physiology 2021 has been designed in an interdisciplinary manner with a multitude of tracks to choose from every segment and Offering opportunity to go to the presentations conveyed by eminent experts from everywhere throughout the world. The conference will be organized around the theme “A Precise view of Modern Anatomy and Physiology”. The two day meeting is going to be an event to look forward to for its enlightening symposiums & workshops from established experts of the field, exceptional keynote sessions directed by the best in the business. It will also prove to be a brilliant open door for the representatives from Universities and Institutes to cooperate with the world class researchers and an outstanding opportunity for businesses keen at expanding their global market reach. Interested individuals can confirm their participation by registering for the conference along with their colleagues. Register soon and avail exciting early bird discounts.

Conference Highlights

- Research based on Anatomy and Physiology
- Objectives of Anatomy and Physiology
- Homeostasis
- Biomechanics
- Biomedical Implants
- Forensic Medicine
- Anatomy Research
- Anatomy in 3D Visualization
- Radiological Anatomy
- Anatomy and Physiology of Various Biological Systems
- Nutrition Physiology and its recent Researches
- Pathophysiology
- Applied Physiology
- Physiological Rehabilitation
- Modern Anatomy and Physiology
- Recent Researches in Anatomy and Physiology

About PULSUS

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

Pulsus Conferences explore the future by connecting minds and spreading brilliance at **Pulsus** Group annual conferences & meetings. Meet your colleagues, discuss your specialty, spread and aid, learn & grow in association with 1000+ scientific societies from The USA, Europe, The Middle East, Africa and The Asia-Pacific region. **Pulsus** group is closely associated with globally renowned academic and research societies.

Pulsus Conferences believe that true technology and innovation depends on hearing from, and listening to, people with a variety of perspectives. **Pulsus** Conferences enhances the technology for people from underrepresented groups by actively recruiting diverse speakers for our events, signing up a broad variety of authors for journals and videos, and taking part in ongoing conversations about the value of diversity in the communities we serve.

About Anatomy and Physiology 2021

The objective of the conference is to attain the enhancement in the field of Anatomy and Physiology by the global gatherings from various diversities to share the knowledge by paper presentation, poster presentation, by the delivery of speech and lectures or as a delegate in the research forum.

It is the huge platform to explore about the recent advancements in the field of Anatomy and Physiology by all the scholars, researches, scientists, organizations and industries. The aim of this conference is to provide the participants with all the necessary information to be proficient, discuss about the research findings and methodologies corresponding to the healthcare, build and maintain essential networks between researchers, practitioners and policy makers.

Why you should WDEC 2021?

- Exclusive sessions and panel discussions on latest innovations
- Lectures by the active Investigators
- Keynote forums by Renowned Speakers
- Speaker Forum
- Poster Sessions on latest Innovation in all the relevant Areas
- Open Innovation Challenges
- Poster Sessions on every career stage
- Young Research Forum
- Post-Doctoral Career Development Session
- B2B Meetings
- Global Networking with 50+ Countries
- Novel techniques to benefit your research
- Best platform for Global business and Networking opportunities
- Meet the editors of refereed journals, Society and Association
- members across the Globe
- Excellent platform to showcase the latest products in Diabetes and Endocrinology and affiliates
- The exotic experience in the world best tourist place
