2ND INTERNATIONAL CONFERENCE ON

ANIMAL HEALTH AND VETERINARY MEDICINE

NOVEMBER 20-22, 2023 | LONDON, UK

https://animalhealth.pulsusconference.com/

INVITATION

ANIMAL HEALTH 2023

We welcome you to the conference on **Animal Health 2023** after a year's absence.

All dignitaries, professors, scientists, students, young researchers, CEOs, directors, and heads of department in the area of veterinary medicine are cordially invited to our most anticipated event, the **2nd International Conference on Animal Health and Veterinary Medicine**, which is going to be held on **November 20-22, 2023**, in **London, UK.**

Animal Health 2023 brings together experts from around the world to share their insights and experiences on the theme **"Advancing Animal Health: Innovations and Breakthroughs in Veterinary Medicine"**

The conference will include keynote speeches, plenary sessions, oral and poster presentations, and exhibitions. There will also be opportunities for networking and collaboration among the participants. Animal Health 2023 also provides a platform for participants to showcase their research and innovations in the field of Veterinary Medicine.

As we continue to face new challenges in the field of animal health, it is important that we come together to collaborate and find innovative solutions. This conference provides a unique opportunity to do just that, with informative talks, engaging panel discussions, and opportunities to network with colleagues.

We believe that the 2nd edition of Animal Health Conference 2023 will be particularly impactful, as we have an incredible lineup of speakers. We hope that you leave this conference feeling inspired and equipped with new tools and knowledge to take back to your organizations and communities.

Become a part of the Animal Health Conference 2023 community and pledge to use this platform to advance knowledge and encourage new research among the population.

Regards

Organizing Committee

Animal Health Conference 2023

CONFERENCE HIGHLIGHTS

- Animal Health
- Animal Husbandry
- Animal Behavior
- Animal Nutrition
- Animal Genetics
- Animal Histology
- Animal Physiology
- Animal Vaccination
- Animal Biotechnology
- Veterinary Medicine
- Veterinary Immunology
- Veterinary Epidemiology
- Veterinary Microbiology
- Veterinary Surgery
- Veterinary Anesthesiology
- Veterinary Orthopedics
- Veterinary Myology
- Veterinary Clinical Medicine
- Veterinary Clinical Practice
- Veterinary Toxicology
- Veterinary Osteology
- Veterinary gynecology
- Veterinary Oncology
- Veterinary Neuropharmacology
- Veterinary Radiology
- Veterinary Hygiene
- Veterinary Biochemistry
- Veterinary Pharmacology
- Veterinary Pathology
- Poultry Breeding
- Livestock Breeding
- Viral Diseases in Animals
- Laboratory Animal Medicine
- Clinical Abnormalities in Domestic Animals
- Spermatogenesis in Animals
- Ethics and Animal Welfare
- Pet Animal Management and Healthcare
- Animal Healthcare Management
- Preventive Medicine in Veterinary
- Theriogenology

ABOUT US

Since many years Pulsus has also been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international conferences and meetings.

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

With a legacy of 30 years of excellence in Medical Publishing we are endorsed by various societies like International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, World Association of Medical Sciences, International Society for Ceramics in Medicine, Thalassaemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

MARKET ANALYSIS

The global animal health and veterinary medicine market is valued at $45.5 billion in 2020 and is projected to reach $73.2 billion by 2028, growing at a CAGR of 6.3%. It is highly competitive, with major players such as Zoetis Inc., Merck Animal Health, Elanco Animal Health, Boehringer Ingelheim, and Bayer Animal Health operating in the market. The market is driven by the increasing importance of animal health and welfare, the rising demand for safe and high-quality animal-derived products, and the growing prevalence of zoonotic diseases. The UK animal health and veterinary medicine market is an important component of the country's agricultural sector, contributing to the health and welfare of animals and ensuring the safety of animal-derived products. A report by Research and Markets indicates that the market was valued at £1.6 billion in 2020 and is expected to grow to £2.2 billion by 2025, growing at a CAGR of 6.4%.

TARGET AUDIENCE

- Veterinarians
- Veterinary Technicians
- Animal Health Researchers
- Veterinary Clinic Teams
- Veterinary Nurses
- Scientists
- Veterinary Medicine Students
- Veterinary Faculty
- Animal Health Faculty
- Veterinary Medicine Faculty
- Animal welfare advocates
- Animal rights activists

WHO SHOULD ATTEND

- Veterinarians
- Animal Health Professionals
- Animal Caretakers
- Pet owners
- Veterinary students
- Animal Healthcare associations and societies
- Industry representatives
- Animal Welfare Experts
- Researchers in Veterinary science
- Researchers in Healhcare fields

WHY TO ATTEND

Animal Health 2023 features unique content in a number of areas, including the newest advances in animal health and veterinary medicine, emerging trends and technologies, and a One Health approach to solving complex health challenges that take into consideration the interconnectedness of human, animal, and environmental health. The conference also covers alternative and holistic approaches to animal health, such as acupuncture and herbal medicine, and addresses ethical considerations in animal care. Attendees can expect to gain valuable insights and knowledge from industry experts, network with peers, and stay up-to-date with the latest developments in animal health and veterinary medicine.

WHY SPONSOR OUR EVENT?

Maximum exposure at a premier conference devoted to those involved in the office professional industry.

An opportunity to build and reinforce strategic relationships within the office professional industry.

Time to network with industry colleagues and key decision makers.

A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.

Access to a broad network of industry partners from state and federal Government departments and the private sector.

Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.

Increased marketing opportunities including visibility on the conference website and associated marketing materials

ABOUT VENUE

London is one of the most culturally diverse cities in the world, with a population that reflects a wide range of ethnicities, religions, languages, and cultures. As a result, the city's venues are influenced by this diversity, offering a broad range of experiences for visitors and locals alike. London's cultural diversity is evident in its range of museums, galleries, and cultural institutions. These venues showcase art, history, and culture from around the world, reflecting the city's diverse population

Climate Diversity: London has a temperate maritime climate, which means that it generally experiences mild temperatures and a moderate amount of rainfall throughout the year. In the summer months (June to August), temperatures typically range from 18°C to 24°C (64°F to 75°F), although heatwaves can occasionally bring temperatures above 30°C (86°F). In the winter months (December to February), temperatures typically range from 2°C to 8°C (35°F to 46°F), with occasional snowfall. The winter months also tend to be the wettest, with rain and drizzle common.

Currency and Transportation: The currency used in London is the British pound (GBP), which is also sometimes referred to as the pound sterling. It is a widely accepted currency in the city, and most businesses and services will accept payment in pounds. Visitors can exchange their currency for pounds at banks, exchange offices, and some hotels and tourist information centers. Transportation in London is extensive and includes a variety of options to suit different needs and budgets. The city has an extensive public transportation system, including buses, trains, and the famous London Underground (also known as the Tube).

City of Attraction: London is a city with a rich history and culture, and it offers a variety of attractions for visitors to explore. Here are some of the top attractions in London: The British Museum, The Tower of London, The London Eye, Buckingham Palace, The National Gallery, Big Ben and the House of Parliament, etc.

Abstract submission opens: March 01, 2023 | **Registration opens:** March 01, 2023
Early bird registration: April 30, 2023 | **On spot registration:** November 20, 2023
